COLLEGE FOOTBALL PLAYOFF

SEC ESPN NETWORK

SEC Network has proven time and again that it is one of the most successful launches by a network in all of cable television. It placed the Southeastern Conference, its member institutions and sports teams on an international stage with brand recognition in every corner of the country and around the globe.

That was the vision when the SEC and ESPN signed a 20-year agreement through 2034 to create and operate a multi-platform network, which launched on Aug. 14, 2014. The network and its accompanying digital platform, SEC Network+, carries SEC live events and programming 24/7.

Complementing the volume of network-produced programming, all 14 schools built state-of-the-art control rooms and purchased HD camera equipment to provide the same quality coverage for events that viewers have been accustomed to for years across ESPN networks.

These school-produced events are made available exclusively through the ESPN App as part of SEC Network+ on connected devices, allowing fans to watch their favorite teams anytime, anywhere.

SEC Network has also become known for its signature studio show, SEC Now, its traveling weekly football pregame show, SEC Nation, and of course, The Paul Finebaum Show, which welcomes callers and guests to share their thoughts on topics surrounding the SEC. On top of the network's wall-to-wall coverage of Saturday SEC football, SEC Network boasts additional football-focused studio shows in the fall: SEC This Morning and Marty & McGee, as well as food and culture favorite, TrueSouth.

THIS IS SEC FOOTBALL

• Sixteen times in the last 17 seasons, a team from the SEC has advanced to the national championship game. The SEC has won 13 of those contests, with two of the losses coming in the game's final seconds. The winner of the SEC Championship Game has advanced to the National Championship Game all but once since 2006.

• With Florida in January 2009, five different teams from the SEC have played for and won the national championship. All five have multiple appearances and at least one victory since in the national championship game since 2007.

• The SEC has now won four consecutive CFP National Championships, by three different programs (LSU, Alabama, Georgia).

• Not counting games versus each other, the SEC is 14-3 all-time in College Football Playoff games, playing in eight of the nine CFP Championship Games (winning six of those eight). The SEC is 10-1 in CFP Semifinals, including 10 consecutive semifinal wins.

• Since 2006, the SEC has posted a 33-15 (.688) record in BCS/CFP games, more wins, appearances, and winning percentage than any other A5 conference.

• The Southeastern Conference led the nation yet again in 2022 with 369 former players on opening weekend 53-man active rosters, including injured reserve.

• A total of 22 former SEC players were on active rosters of Super Bowl LVI between the Kansas City Chiefs and the Philadelphia Eagles.

• The SEC is 109-67 (.619) in bowl games since 2006, the only FBS league with a .600 or better winning percentage and 30 wins more than the next closest conference.

• The SEC has now won 60 games in the last nine postseasons and has sent no less than eight teams to post-season bowls in each of the last 16 seasons.

• In the nine seasons of the College Football Playoff era, only seven programs nationally have been ranked No. 1 in the weekly CFP Top-25 Poll (which begins in late October each year) – five of those seven programs (Alabama, Georgia, LSU, Mississippi State, Tennessee) are from the SEC. No team outside the SEC has been ranked No. 1 in the weekly CFP Poll since 2019, while four schools from the SEC have been ranked No. 1 during that time.

• Ten different SEC teams, including all seven from the SEC Western Division, have made BCS/New Year's Six bowl game appearances since 2006: Alabama, Arkansas, Auburn, Florida, Georgia, LSU, Ole Miss, Mississippi State, Tennessee and Texas A&M. Since the formation of the College Football Playoff in 2014, six of the seven schools in the Western Division have advanced to a New Year's Six bowl.

• With Georgia and Alabama both earning victories in the CFP Semifinals in both 2021 and 2017, the national championship game has featured two SEC teams twice in the last six years and three times since the 2011 season.

• The SEC received 83 of the total NFL Combine invites in 2023 - which accounted for 26 percent of the national total.

• The SEC Championship has been the most watched conference championship nationally for 14 of the past 15 seasons, including 12 in a row from 2008-2019. The only year it was not #1 was 2020 when the SEC did not have a traditional schedule due to the pandemic. The 2022 SEC Championship Game was seen by nearly 11 million viewers.

• Fourteen of the most 25 viewed college football games in 2022 involved teams from the SEC, including three of the top four and four f the top six.

• The SEC led the nation's conferences in NFL Draft picks for the 17th consecutive year in 2023 with 62 selections, just three less than the SEC and national record set one year ago.

• This marks the ninth straight year for the SEC to see 50 or more players taken in the NFL Draft. Only three times in the last 28 years has another conference other than the SEC seen 50 or more players drafted.

• For the 12th time in the last 13 years, the SEC once again tied or led the nation in First Round NFL Draft selections, as the league produced nine opening-round draft picks.

• During the last 19 NFL Drafts, the SEC has a nation-leading 168 players taken in the opening round, an average of nearly nine per season.

• Bryce Young was the third No. 1 overall pick from the SEC in the last four NFL Drafts and fifth in the last 10 years.

SEC FOOTBALL

SEC SUCCESS SINCE 2006

During the last 17 seasons (2006-22), Southeastern Conference football has experienced success that is unparalleled in its football history and in the history of college football. During this tenure, the SEC's achievements have been demonstrated by:

- Triumphs in major bowl games, including the National Championship Game
- Non-conference success in regular season and bowl games
- Defeating highly-ranked non-conference teams
- Success in the polls and rankings
- Individual awards and All-America Teams
- Academic and Community Service Standouts
- Continued accomplishments of former SEC student-athletes in the NFL and NFL Draft

SEC IN THE CFP/BCS ERA (Since 1998)

• The SEC has won 13 of the last 17 national championships, 15 of the 25 BCS/CFP-era National Championships, six runner-up finishes and 29 overall national titles (CFP, AP, BCS, FWAA, Coaches Poll) in SEC history. The SEC has appeared in 16 of the last 17 National Championship Games and in 10 of the 16 BCS Championship Games, winning nine.

• Five different SEC schools have won the National Championship since 2006 (Auburn, 2010; Alabama, 2009, 2011, 2012, 2015, 2017, 2020; Florida, 2006, 2008; LSU, 2007, 2019; Georgia, 2021, 2022). Five programs have advanced to the national championship game since 2013. Tennessee (1998) has also won the former BCS crown. Auburn appeared in the 2013 BCS Championship Game, as did LSU in 2011, Georgia in 2017 and Alabama in 2021. A team from the SEC Western Division had advanced to five consecutive national championship games prior to the 2014 season, when Alabama lost in the CFP semifinals. The ACC (Clemson, Miami and Florida State) has had three schools win titles since 1998, while the Big 12 (Texas and Oklahoma) has had two. The Big Ten has one during that time.

• Since 2006, over half of the slots in the National Championship Game have been taken by SEC teams (19 of 34). The ACC and Big Ten have four during that time, while the Big 12 has three and the Pac-12 has two.

• The SEC has had more teams ranked in the BCS/CFP standings than any other conference since 2006. The league has had 13 of its 14 teams ranked at one time or another since 2006. Vanderbilt is the only team to not appear in the BCS/CFP rankings during this time, however, the Commodores finished ranked in the Top 25 in both 2012 and 2013 after bowl games with 9-4 records. The BCS/CFP does not produce a poll following bowl games.

• Since 2006, the SEC has posted 31 wins in BCS/New Year's Six/Access bowls - more wins than any other conference.

• Six of the top 10 defensive performances in CFP/BCS history have been registered by SEC teams, more than any other conference. Alabama's shutout of LSU in the 2012 BCS National Championship Game was the first shutout in CFP/BCS history. Alabama defeated Michigan State soundly 38-0 in a CFP National Semifinal in 2015, while defeating Washington 24-7 in 2016 semifinal contest. Alabama dominated Clemson in the 2018 Sugar Bowl Semifinal, holding Clemson to just 188 yards, well short of their average 448 yards per game. In the 2021 CFP Semifinal, Alabama defeated Cincinnati 27-6, holding the Bearcats to 218 yards and a pair of field goals. Georgia's 65-7 victory over TCU in the 2022 national championship game, the Bulldogs held TCU to 188 total yards and nine first downs.

• The SEC has now won 60 games in the last seven postseasons. With 12 teams advancing to bowl games in 2016, the SEC became the first conference to send at least 10 teams to postseason bowls in four consecutive seasons. The SEC also sent a NCAA-record 12 teams to participate in postseason bowl games in 2014 and has sent no less than eight teams to post-season bowls in each of the last 15 seasons. The SEC established a national-record with nine postseason victories in 2015 and owned the previous record for postseason bowl victories with seven wins in 2007, 2013 and 2014. The SEC qualifed a record 13 teams for postseason bowls in 2021 and finished 7-2 in the 2020 postseason, with all seven wins coming against Top-25 competition - the most in history for the conference.

• The SEC is 109-67 (.619) in bowl games since 2006, the only Autonomy Five league with a .600 or better winning percentage and nearly 40 wins more than the next closest conference.

SEC vs. OTHER CONFERENCES

• Since 2006, the SEC has posted the highest non-conference winning percentage (regular season & bowls) than any other conference. The league has a 814-201 record, an 80.2 winning percentage. The SEC has won no less than 43 non-conference games (regular season & bowls) during the last 17 seasons (2006-2022). Last season (2022), the SEC was 56-12 (.824), including bowl games.

SEC IN FINAL RANKINGS

• Since 2006, the SEC has had the most teams ranked in the final USA Today Coaches Poll. The conference has had 93 teams ranked in the final USA Today rankings during that span.

• The SEC has either led or tied for the lead with the most teams ranked in the USA Today Top-25 for 15 of the last 17 seasons.

THIS IS SEC FOOTBALL

• Sixteen times in the last 17 seasons, a team from the SEC has advanced to the national championship game. The SEC has won 13 of those contests, with two of the losses coming in the game's final seconds. The winner of the SEC Championship Game has advanced to the National Championship Game all but once since 2006.

• With Florida in January 2009, five different teams from the SEC have played for and won the national championship. All five have multiple appearances and at least one victory since in the national championship game since 2007.

• The SEC has now won four consecutive CFP National Championships, by three different programs (LSU, Alabama, Georgia).

• Not counting games versus each other, the SEC is 14-3 all-time in College Football Playoff games, playing in eight of the nine CFP Championship Games (winning six of those eight). The SEC is 10-1 in CFP Semifinals, including 10 consecutive semifinal wins.

• Since 2006, the SEC has posted a 33-15 (.688) record in BCS/CFP games, more wins, appearances, and winning percentage than any other A5 conference.

• The Southeastern Conference led the nation yet again in 2022 with 369 former players on opening weekend 53-man active rosters, including injured reserve.

• A total of 22 former SEC players were on active rosters of Super Bowl LVI between the Kansas City Chiefs and the Philadelphia Eagles.

• The SEC is 109-67 (.619) in bowl games since 2006, the only FBS league with a .600 or better winning percentage and 30 wins more than the next closest conference.

• The SEC has now won 60 games in the last nine postseasons and has sent no less than eight teams to post-season bowls in each of the last 16 seasons.

• In the nine seasons of the College Football Playoff era, only seven programs nationally have been ranked No. 1 in the weekly CFP Top-25 Poll (which begins in late October each year) – five of those seven programs (Alabama, Georgia, LSU, Mississippi State,
Tennessee) are from the SEC. No team outside the SEC has been ranked No. 1 in the weekly CFP Poll since 2019, while four schools from the SEC have been ranked No. 1 during that time.

• Ten different SEC teams, including all seven from the SEC Western Division, have made BCS/New Year's Six bowl game appearances since 2006: Alabama, Arkansas, Auburn, Florida, Georgia, LSU, Ole Miss, Mississippi State, Tennessee and Texas A&M. Since the formation of the College Football Playoff in 2014, six of the seven schools in the Western Division have advanced to a New Year's Six bowl.

• With Georgia and Alabama both earning victories in the CFP Semifinals in both 2021 and 2017, the national championship game has featured two SEC teams twice in the last six years and three times since the 2011 season.

• The SEC Championship has been the most watched conference championship nationally for 14 of the past 15 seasons, including 12 in a row from 2008-2019. The only year it was not #1 was 2020 when the SEC did not have a traditional schedule due to the pandemic. The 2022 SEC Championship Game was seen by nearly 11 million viewers.

• Fourteen of the most 25 viewed college football games in 2022 involved teams from the SEC, including three of the top four and four of the top six.

**-Final season at Texas A&M was season prior to school joining the SEC.*

A total of 22 former players from current Southeastern Conference institutions were on the active rosters of the Kansas City Chiefs and Philadelphia Eagles, the two National Football League teams who squared off in Super Bowl LVII on February 12. That number reflects players on active rosters only and does not include any injured reserve or practice squad players. An additional eight former players are on practice squads/injured reserve for the two remaining teams, bringing the total number of former SEC players represented to 30.

This year's Super Bowl was played at State Farm Stadium in Glendale, Ariz.

Alabama, Florida, Georgia and Mississippi State led the SEC with four former players represented in the Super Bowl.

Nine SEC schools had at least one former player represented in the Super Bowl.

A representative from a SEC institution has been named MVP of the Super Bowl on five occasions since 2006.
