FOUR TALENTED STUDENT-ATHLETES HEADLINE 2024 FOOTBALL ACADEMIC ALL-AMERICA® TEAMS

AUSTIN, Texas – Four standouts headline a group of outstanding student-athletes named to the 2024 Academic All-America® football teams selected by College Sports Communicators**.**

Defensive back/wide receiver **Travis Hunter** from the University of Colorado, quarterback **Brayden Long** from Slippery Rock University, quarterback **Aaron Syverson** from Saint John's (Minn.) University and running back **Jameson Chesser** from Taylor University were named as the Academic All-America® Team Members of the Year for NCAA Divisions I, II and III, and NAIA, respectively.

For the first time, the four CSC football Academic All-Americans of the Year in each division will be invited, along with their communications contact and guest, to be recognized in person at the 2025 Maxwell Awards Gala. The prestigious event, celebrating excellence in American football, will be held at the College Football Hall of Fame in Atlanta on March 14. Tickets to the event are available at www.maxwellfootballclub.org/gala.

Division I

In 2024, Hunter became just the second defensive player to win the Heisman Trophy in the award's history and the second from Colorado. The honor capped a season in which he was named the AP Player of the Year and Walter Camp Player of the Year, and won both the Bednarik (defense) and Biletnikoff (receiver) awards. He was also named to the Walter Camp All-America first team on both offense and defense — a first in the 135-year existence of the oldest All-America team in the nation.

He recorded four interceptions and 11 pass breakups at defensive back and totaled 96 catches for 1,258 yards (13.1 avg.) and 15 touchdowns on the offensive side of the ball in 13 games. The 15 touchdown receptions were Colorado season record, while his 96 receptions rank second and his 1,258 yards were third.

Nine members of the Academic All-America® Division I football teams boast a perfect 4.0 grade-point average in their undergraduate or graduate work. The 25 members on the first team have an average GPA of 3.82, with both teams holding a collective average GPA of 3.80.

Long posted a 24-5 overall record as the SRU starting quarterback, which included a 5-2 record in the NCAA playoffs with trips to at least the national quarterfinals in each year he was a starter. Off the field, the Hanover, Pennsylvania, native was the lone Division II national finalist for the 2024 William V. Campbell Trophy.
