HIGH SCHOOL DIVISION MEET INFORMATION

ENTRY INFORMATION

ENTRY INFORMATION – ALL ENTRIES WILL BE SUBMITTED ONLINE.

Entries will only be accepted online via the Direct Athletics web-site at www.directathletics.com. Please read all of the following meet information. Questions regarding entry instructions should be emailed to support@directathletics.com.

Each coach must have a Direct Athletics username and password for his/her school. If you don't know your username and password, you will be able to create one or retrieve your existing account by following the instructions below. You will use the same account to enter all meets run through Direct Athletics.

If you already have a Direct Athletics account for your Track team, then proceed as follows:

1. Go to www.directathletics.com
2. In the login box, enter your user name and password and click Login. (Password is case sensitive!)

If you do not know your username and password, proceed as follows:

1. Go to www.directathletics.com
2. Click on the link "New User? Click HERE".
3. Follow onscreen instructions. You will be able to create a new TEAM account online or retrieve forgotten information for an existing account.

Note About Direct Athletics Accounts:

Most coach accounts control a school's Men's and Women's team. You control only one gender at time, so you will complete the below steps for your Men and then switch to your Women's team and repeat the process (or vice versa). The team you are controlling is listed on the blue navigation bar across the top of your account.

Important Notes Regarding Online Entries:

- For each relay squad, you must enter at least 4 and up to 8 relay athletes (4+4 alternates)
- You must enter **ALL** athletes online in order for them to compete. This includes relay only athletes and relay alternates.
- All schools (colleges/junior colleges/ high schools) must enter athletes through a TEAM account. **No unattached athletes may be entered through a TEAM account.**

For Bib Number assignments; **an athlete that is running a relay only (does not compete in an open event) must be entered into the system without an entry. This will ensure the athlete shows on your roster and is assigned a bib number.**
