MEDIA CREDENTIALING CRITERIA

The University of Missouri's decision to issue credentials to a media outlet for the purposes of covering a Mizzou Athletics event is determined by a variety of factors. They include the following:

- Space availability
- Distribution/size of outlet: free, subscription, sale on newsstands, website traffic, etc.;
- Length of existence of the publication, amount of original copy generated, number of full-time employees of the publication and the journalistic experience of the reporter(s);
- Radio or TV station program format and audience size;
- Amount of coverage given to Mizzou through the season;
- Intention/ability to cover all 20 sports at Mizzou;
- Attendance at Mizzou media sessions, including Olympic sport opportunities;
- Professionalism, which includes but is not limited to conduct at games, press conferences, practices, on social media, etc.;
- Compliance with SEC media policy

The University of Missouri has the right to deny or revoke credentials under its own discretion.

CREDENTIAL REQUEST PROCEDURE

Mizzou Athletics will only offer single-game credentials to affiliated media at home tennis matches. Media wishing to cover a match should email **jmcnr9@missouri.edu**, of the Mizzou Athletics Strategic Communications office, 24 hours prior to contest.

INTERVIEW POLICIES

All interviews with University of Missouri student-athletes or staff members must be arranged through the Athletics Communications office. Media are asked to never contact a player or coach directly. All post-contest interviews must be made at least 24 hours in advance through the Communications office.

Interviews will be scheduled when student-athlete and staff schedules allow. Playing fields, team locker rooms and other team quarters are private team areas. Media members are not permitted in these areas.

PHOTOS/LOGOS/VIDEO REQUESTS

Media members wishing to obtain photos and logos related to Mizzou Athletics should contact the Athletics Communications contact for the sport (see staff directory for sport assignments).
