

**CREATIVE GUNS FOR HIRE**

we deploy creativity  
and technology to build  
brands and experiences.

## / WHO WE ARE

**Mind Your Design** is a multidisciplinary creative studio. We deploy creativity from our hometown in southeastern Pennsylvania across the nation. Over the past decade we've built a team of creative technologists and have partnered with hundreds of businesses from sole proprietors to industry leaders.

- Founded in 2011
- Based in Doylestown, PA
- 20% of our work is pro-bono
- Independent & locally-owned
- Award-winning design
- Internationally published

**we unleash the power of design to solve problems of all sizes.**

From a trusted contractor to an extension of your team, we are designed to scale. We partner with our clients to provide neighborly service fused with world-class work. Clear and timely communication, can-do attitudes, and industry insights are included free of charge. We measure our success by yours.

our creativity is not bound by  
medium or platforms.

We're driven by an ever-evolving landscape of  
opportunities to build and enrich brand experiences.

## / WHO WE WORK WITH

industry leaders and small businesses  
have trusted us for over a decade.

Our work has been relied on by brands ranging from small businesses to Fortune 500s. We believe design has the power to help anyone. Our experiences have taken us across a multitude of industries where we have thrived on solving problems for driven brands. Each year we strive to dedicate 20% of our time to non-profits and good causes.
