

My Skills: Things I can do with my body and brain

My Body: How my body works at school

Play: Things to play with at school

My Wider World: Places I go and people I see

Intrapersonal: Social skills based on internal behaviours

Interpersonal Skills: Social skills that require interactions with other people

Family

Routines

These are the general topic areas. These 8 cards are not intended to be presented to students just to help you sort the cards out and keep them organized.

body and skills

how my body works at school

things that are fun

wider world

thinking about yourself

social

family

routines

These are the core topic areas to help anchor the student to know what you are talking about. You can use another topic card if these do not suit your needs.
