**Kittykat is very excited! It's time to go to the park.
All his friends are already there,
even Hootly, Owly's little brother!**

As soon as Kittykat reaches the park,
every game becomes an adventure...

In the sandbox, they dig a tunnel that goes all the way to the other side of the earth!

Hey!
Anyone there?

Hoo?

**The swings are planes that soar towards the sky.
With the tips of their toes, they touch the clouds!**

Prepare to board!

Hoo!

The playground turns into a sailing pirate ship!

charge!

And the see-saws are catapults!

Everything is bigger and better when
you play at the park with Kittycat! Especially
when you make new friends!

Hello!
I'm
Rusty!

And I'm
Inky!

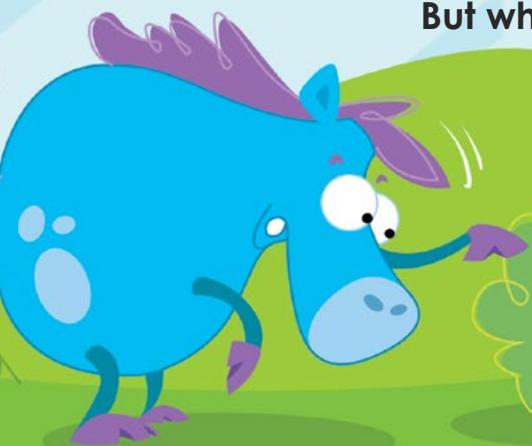

With their new friends, a ball becomes
a toe-eating monster!

Run!

Hoo!

But where has Hootly gone?

**Oh no! He's fallen
into the tunnel to the other
side of the world!
They have to save him!**

Heave-ho! Heave-ho! Heave-ho!

Hurray! Hootly is saved!

With all these adventures, everyone's getting mighty hungry.

A snack becomes a picnic.
Everyone's invited – new friends, old friends,
and very small friends too!

**Everything is bigger
and better when you play
at the park with Kitycat!**
