Delivery Date: Preliminary second half of December 2018*	
Production Start: Preliminary first half of November 2018	
We always aim to keep the indicated delivery date. However our delivery dates can change by a number of weeks due to workload, weather, supplied parts or other circumstances. We will inform you about the final delivery date no later than 2 weeks before Final Inspection Date as per dealer contract. We ask for your understanding in regard to delivery dates.	
Please note, that the delivery can also be adjusted, if the payment conditions are not met or the deadlines for getting the final specifications are not met. This is also according to dealer contract.
