# 2021 Board of Directors Candidate Forum Questions

- Q1 – Given the anticipated limits for many around travel for the next couple of years, how would you guide NANOG to retain and expand community engagement and professional development? What do you envision will be required to foster this sense of community?
- Q2 – What should the NANOG board do to ensure the next generation of network engineers see our community as positive, diverse, and inclusive?

# 2021 Board of Directors Candidate Forum Questions

- Q3 – Strategically, what do you think are the biggest opportunities or challenges for NANOG as an organization?
- Q4 – Funding is always an issue with every nonprofit. How can you help NANOG find more revenue sources?
- Q5 – What makes you stand out as a potential new member of the NANOG board of directors?
