NANOG™

Fee Harmonization

- As of 1 Jan 2022, End Users have been aligned with the RSP fee schedule

- Customer breakdown:
  - RSA: 15,750
  - LRSA (subject to fee cap): 756
  - ASN Only: 7,619
  - Legacy: 15,155

- Transactional Fee Changes
  - Transfers $300 to $500
  - Organization Create ($50) and Organization Recovery ($100)

NANOG™

2022 Membership Structure

- General Members (EXISTING)
  - General members are entities that have a valid ARIN Registration Services Agreement (RSA or LRSA) for IPv4 and/or IPv6 address space. General members also must express commitment to participating in ARIN elections.

- Service Members (NEW)
  - Service members are entities that have a valid ARIN Registration Services Agreement (RSA or LRSA) for IPv4 and/or IPv6 address space. If they meet eligibility requirements may receive General Member status upon request.
