Near Duane,

About the photos:

- 1, 2 + 3 are markers' all located at the park on Hwy 11/25 (Gault Ave) in Fort Payne.
- 4 + 5 are of the house called 'Cherokee' where John Ross is said to have been born. Located at the end of 38th Street
- 6 + 7 are all that's left of the Fort Stockade - the chimney
- 8 - is another chimney in back of the other - however this is in someone's backyard - haven't been able to talk with them. I don't know if it is part of the fort or not.
- 9 - an old street marker directly across the road and tracks is the chimney - it isn't Lincoln street anymore - it's Godfrey (at corner of 3rd)
- 10 - to locate chimney in wooded lot behind
- 11 - Chimney is behind the tree
- 12-13-14-15 - Lebanon & Mills Creek
- The rest are of Joe Bame's things →

I have a list of information for you - but I can't get it printed on the computer - I hope to later. (It was broken).
