 NINETEEN SKETCHES
 EXHIBITING THE COURSE OF THE
 ARKANSAS RIVER

ARKANSAS RIVER

FROM FORT GIBSON TO ITS MOUTH
 WITH THE CHANNEL, SAND BARS etc. etc.
 May 8th, 1833

N.B. These sketches having been chiefly
 taken by the eye cannot be relied
 upon as expressing correctly
 the general shape and direction of
 the river but merely as showing the
 relative positions of the contiguous
 Sand bars and the channel.
