Executive Director's Report

Mr. Karon reported on the 2025 Restoration project, noting that preparation is already underway to get a jump on next year's restoration efforts. Bid documents for the project were offered on Friday, December 13, and are due back by January 16. The work will primarily focus on the Gateway and Wellness Garages.

Mr. Karon reported that Bright ran an analysis of credit card usage, revealing that currently, 92% of all transactions are made using credit cards, with only 8% being cash transactions. This trend is expected to continue. It's also important to note that this analysis does not include NBPAC, where 100% of payments are made by credit card, either directly through meters or via the phone app. Ultimately, on-street meters will no longer accept cash, and payments will be made by credit card or through the app only.

Mr. Karon reported on the garage occupancy for various facilities, as outlined in the chart below:

- NBPAC: Occupancy 39%, Capacity 344, Peak Hour Occupancy 134, Availability 210
- LCSD: Occupancy 50%, Capacity 429, Peak Hour Occupancy 213, Availability 216
- New: Occupancy 74%, Capacity 430, Peak Hour Occupancy 317, Availability 113
- Wellness: Occupancy 66%, Capacity 1250, Peak Hour Occupancy 824, Availability 426
- Gateway: Occupancy 88%, Capacity 657, Peak Hour Occupancy 577, Availability 80

- Paterson: Occupancy 87%, Capacity 1580, Peak Hour Occupancy 1381, Availability 199
- Plum: Occupancy 91%, Capacity 854, Peak Hour Occupancy 774, Availability 80

Total Garages: Occupancy 76%, Capacity 6368, Peak Hour Occupancy 4813, Availability 1555

These figures give an overview of current occupancy and availability across the various garages.

Mr. Karon reported that the 2025 budget has been approved by the State. The board will be asked to adopt the budget during this evening's meeting.

Mr. Karon reported that the January 2025 Reorganization meeting is scheduled to be held on January 29th, immediately followed by the regular board meeting.

A member of the public inquired whether anything can be done to prepare the supermarket space while it remains empty. Mr. Karon stated that the tenant will determine how to utilize the space based on their needs.

A member of the public suggested that monthly meetings should be encouraged and inquired whether virtual meetings could be held for the public. Additionally, the member recommended posting a bulletin board to notify the public about the meetings and the Joint Insurance Funds (JIF) board meetings. Mr. Karon stated that he does post the meeting notices on the bulletin board in the lobby. Mr. Rainone clarified that it is the responsibility of the JIF to make that posting.
