

2017 P2C1 Daily Report

Flight Campaign ID: 2017_P2C1

FBO ID & City: Fresno Yosemite International
Airport (KFAT) - Fresno, CA

Domain: 17

Sites Flown: None, completed all flight lines

Days left in Domain: 1

Flight Hours: 00:00

Hours until maintenance: 125.00

Date: 2017-07-05

Report Author: John Adler

Pilots: Grant Frost, Stephen Brawder

Flight Crew: John Adler, Heather Rogers

Ground/GPS: None

Additional Personnel: None

GPS Instruments: None

Summary: Phase maintenance complete! Fedex ground arrived and took the air conditioner for shipment to Fairbanks. Three GPS cases sent back to the hangar. Interestingly, lots of cumulus clouds in the mountains today, so we lucked out in the collections.

Issues/Concerns: None.

Comments: Tomorrow we will partially load the plane, conduct the Domain 17 tour, complete loading, then leave in the late afternoon towards Deadhorse. Expect to RON in Spokane, WA.
