Flight Campaign ID: 2017_P2C1
FBO ID & City: Deadhorse (PSCC) - Deadhorse, AK
Domain: 18
Sites Flown: None
Days left in Domain: 12
Flight Hours: 0.0
Hours until maintenance: 95.67

Date: 2017-07-16
Report Author: Michael Wussow
Pilots: Kyler Dalton, Grant Frost
Flight Crew: Michael Wussow, Heather Rogers
Ground/GPS: John Adler
Additional Personnel: None

GPS Instruments: None

Summary: Low clouds at Barrow and rain at Toolik prevented flights from occurring today. Tomorrow is a crew rotation day with Heather and John departing, and Abe arriving.

Issues/Concerns: The waveform data was filling the C drive again. We have changed the extraction procedure, and believe we have a manual work around. The extract code should be changed to not allow data to be written to the C drive.

Comments: None.
