### Summary

Another beautiful day in Florida allowed for the completion of the DSNY flight box!! This is the first time the AOP has collected DSNY cloud free! In addition, we collected 6 lines at OSBS before the clouds and heavy smoke from the many fires drifted into our area.

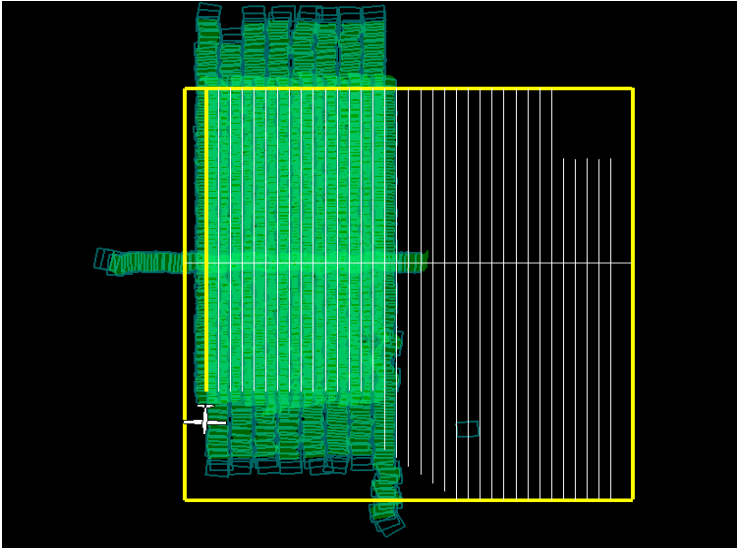

### Concerns

- Flight Database "hours until maintenance" tracking about 10 more than actual
- Fires burning around Florida near flight boxes could cause issues if they persist

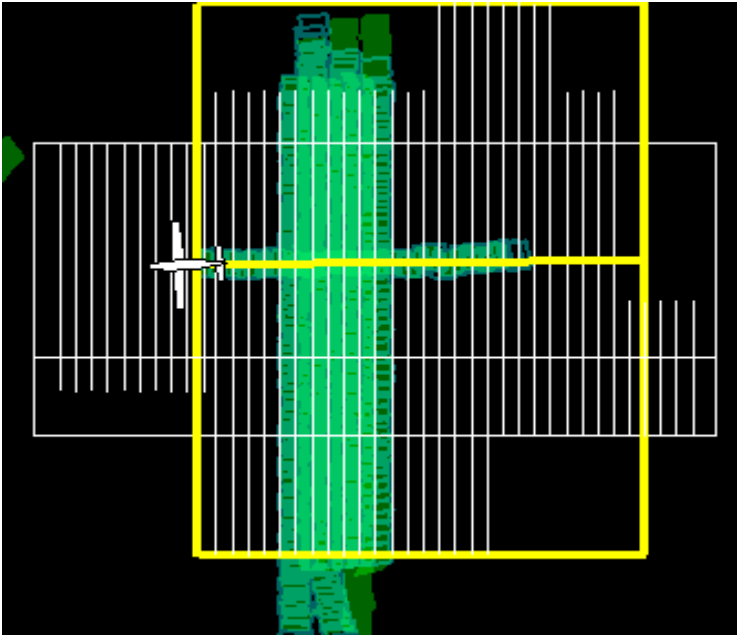

### Comments

- Completed Lines 21 – 36 at DSNY
- Completed Lines 17 – 22 at OSBS\_P1
- Completed D03 Nominal Runway
