Summary

We continued to work on closing out D17 and preparing for Sunday's transit to D14.

Concerns

-Hotel Kit Pony Verification tool is not functional.
-One of the 2 pony express RAIDS showed up as degraded on the Hotel Kit and is currently rebuilding. This is the 2nd out of 2 sets of reused pony express disks that either cannot be read by the Intel Virtual RAID software or is showing up as degraded.

Comments

GPS support equipment arrived in Scottsdale today.
