Summary

We finalized arrangements with the FBO in Fresno this morning. We now plan to reposition on July 5 since that is the earliest we can expect the necessary electrical adaptors to arrive from Boulder.

Concerns

None.

Comments

- Mike departed this morning, switching to the other plane in Bozeman. Good work Mike on our many survey flights here, and on the complicated puzzle of planning a quick turn down to Fresno.
- Abe went ahead to Fresno in order to receive shipments and get set up for the plane.
- Vince arrived back in the domain tonight to take over for Will, who will leave for Bozeman in a couple of days. Thanks for the great flying Will!
- The vacuum pump, mercury lamp, and pony express supplies were shipped to Fairbanks.
- RAID 10 was shipped to Boulder.
