Date: 2024-05-29
Flight Campaign ID: P1C1
Airport, FBO ID, City: Boulder Municipal Airport (KBDU) - Boulder, CO
Aircraft: N615AR

Domain: 10 (Central Plains)
Sites Flown: None.
Days left in Domain: 7

Report Author: John
Lidar Operators: John        Flight Hours: 0.0
Spectrometer Operators: Matt  Hours until maintenance: 75.92
Pilots: Manning, Jeff
Ground Crew: Nick

Summary
No flights today since the airfield was closed for painting the runway surface lines.

Concerns
Continuing to test the spectrometer, Andrew and Brendan began looking at the system in the hangar.

Comments
Extracted most of the flight lines from the last two missions in D11, we still have one more to do since the one lidar drive was not being read properly by Windows. Linux is currently copying the files. Also completed many ServiceNow items.
