

Developer for MatchOffice

Do you have a clear idea of what good software is? And are you able to make it even better? Then you might be the new Ruby on Rails developer we are looking for.

About you

You have at least 3 years of experience with Ruby on Rails.
Your primary motivation is to develop software.
We expect that you will bring your professionalism and that you will contribute to the further development of our business.

Technical skills:

We are looking for you, if you are skilled in some of the following:

- * Ruby on Rails
- * jQuery
- * Postgres
- * CouchDB
- * Version control with Git
- * Code reviews
- * Knockout.js
- * Bootstrap
- * Elixir
- * DevOps

About MatchOffice

MatchOffice is a group of web portals driven by innovation and the desire to be the best in our field. We provide vacant commercial spaces for rent through our site www.matchoffice.com and our Danish site www.lokalbasen.dk. MatchOffice is located in Copenhagen, Denmark, where we are currently 38 employees.

Our developer team:

You will be part of a small team in Ukraine with 2-3 other developers who are located at our office in Lviv. Our head office is situated in Copenhagen where our two Danish developers are working from. We have daily meetings via a Skype connection, and therefore you will be in close dialogue with the Danish team. Therefore, it requires strong English skills.

Was is in it for you?

Working at MatchOffice will include some of the following benefit:

- * A quiet working environment with a great view from the top of Roksolana, Central Lviv
- * An exciting technology stack
- * Creative freedom in problem solving
- * An attractive salary
- * Private English tutoring at the office
- * A Macbook Pro
- * Annual trips to our Danish headquarters funded by us – stay in Denmark for a month.
- * Flexible hours

Contact

Send your application to Vasyl Melnychuk, vme@matchoffice.com or give a call: **+380 (93) 846 25 78** who are situated at our Ukrainian office, as soon as possible. We screen applications as they come in. If you have any questions for the job, you can call or write to Jakob Dalhoff: jd@matchoffice.com or tlf: **+45 26 16 44 86**.
