Earl Kendrick invites you to the launch of

London Unseen

A photography exhibition in support of MyWorld

Join us for the opening night of **London Unseen**, an exhibition showcasing striking images of London captured by people with lived experience of homelessness.

Through their lenses, discover new perspectives on the city's streets and buildings — moments often overlooked, yet deeply powerful.

We are proud to support [MyWorld](#), who provide photography training and creative opportunities for those affected by homelessness. This event celebrates their talent, resilience, and creativity.

Date: Thursday 9th October 2025

Time: 6:00pm–8:00pm

Location: The Building Centre
26 Store St, London WC1E 7BT

Drinks and light refreshments will be served.

Please RSVP to chelsea@earlkendrick.com by Monday 29th September. We would be delighted if you could join us.
