Dear Supporters,

Once again the NFL Alumni Detroit Chapter is pleased to share with you our annual Charity Golf Classic. The event promises to be another exciting day of golf offering you the can't be missed opportunity to mix and mingle with some of your NFL Alumni favorites. The day will also include a complimentary breakfast, cocktail reception, dinner & awards ceremony, games, a silent auction and, above all else, a chance to help the NFL Alumni support its commitment to helping our community.

As a 501c(3) nonprofit organization, the NFL Alumni Association is committed to supporting our community through a variety of initiatives. However, the cornerstone of our charitable endeavors is our annual Scholarship Program. Thanks to the generosity of our golf outing participants, since 2012 we have provided over 25 high school student athletes with college scholarships to ensure they are able to pursue their career goals. These young men and women from across Wayne County exhibit academic excellence and leadership potential, yet might not otherwise have an opportunity to further their education.

In addition to benefiting student scholarships, the Golf Classic is also a qualifier for the 2022 NFL Alumni Super Bowl of Golf. **That means the winning team from the NFL Alumni Detroit Chapter – Charity Golf Classic will receive an all-expense paid trip to compete in one of the most note-worthy golf competitions in the country.** While the date and location of the event have yet to be finalized, it is sure to be a world-class destination! You definitely don't want to miss out on your chance to participate in this star-studded affair filled with NFL Alumni greats from around the league.

There are a number of ways you can participate, which are detailed on the following pages. As a sponsor, you will be afforded various opportunities to market your company to NFL alumni, business executives, community leaders and other influencers. This is truly a one-of-a-kind event that you don't want to miss. Be sure to reserve your spot today by returning the enclosed commitment form. Spaces sell out fast!

On behalf of our fellow board members, we thank you in advance for your partnership, and more importantly, your commitment to the impact the NFL Alumni Detroit Chapter is making in our community. We look forward to seeing you on July 26, 2021!

2021 Alumnus of the Year

Each year, the Board of Directors for the NFL Alumni – Detroit Chapter selects a member who exemplifies the chapter’s commitment to excellence on and off the field. In recognition of his dedication to supporting our community through the Braylon Edwards Foundation, we are proud to announce Braylon Edwards as our 2021 Alumnus of the Year.

Braylon Edwards is a native Detroiter who has been heavily rooted in the city his whole life. After attending Detroit public (as well as Catholic) schools, he found himself signing the dotted line his senior year to The University of Michigan, following in his father’s (Stanley Edwards) footsteps.

While at Michigan, Braylon was a three-year starter and two time all-American (03-04/04-05) with back-to-back Big Ten championship wins. He finished his career at U of M first in receiving yards (3,541), first in TDs (39 – a big ten record), first in receptions (252) as well as winning the Big Ten Offensive Player of The Year and the Biletnikoff his senior year, an award celebrating the nation’s top wide out.

In 2005, Braylon was drafted 3rd overall in the NFL draft (highest NFL draft pick ever from a Detroit native) to the Cleveland Browns. He played for nine seasons, making back-to-back AFC championship games in the 2009 and 2010 seasons, but his best year would come in 2007 where he made the Pro Bowl and finished second in the NFL in touchdowns, with 16 (breaking the Browns record).

Off The Field:

In 2005, Braylon started the Braylon Edwards foundation with main focuses on sports and education in inner city schools, mainly in Cleveland, Detroit, and New Jersey. In 2006, Braylon donated \$500,000 to a scholarship endowment at the University of Michigan (first of its kind) for the football program as well as inner city academic scholarship for students that continues to this day. Braylon and his team launched their biggest and proudest project in 2007, The Advanced 100, which chose 100 8th graders, followed them in for their four years of high school, and rewarded them each money to attend universities of their choosing upon completion of set guidelines and goals. The million-dollar pledge was received well and saw 87 kids make it to the finish line.

Since Retirement:

Braylon has done work on radio locally and nationally with CBS, ESPN, Fox, and the NFL network. He has done TV with Big Ten Network, CBS, NBC, Fox Sports, PAC 12 network and others. His real passion and current focus for the past four years is working with SMA and Sean Jordan on the issues of mental health education and addiction awareness.
