

MUSKAN ARORA

Software Engineer

"Looking for a suitable match for my daughter, who is smart, beautiful, and well-educated. She has completed her Bachelor's degree and is currently working in a reputable organization. She is a kind-hearted and understanding person who values family and relationships. Her hobbies include reading, traveling, and exploring new cultures. We are looking for a groom who is well-educated, respectful, and compatible with her personality. Preferably, he should belong to a decent family and have a progressive mindset.
