

Remote Work

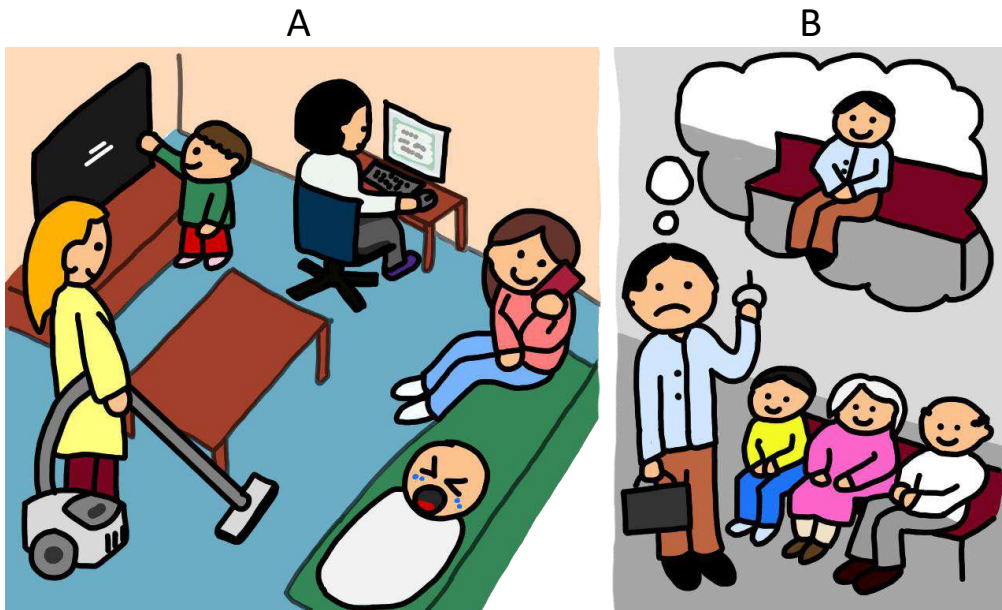

The internet has changed how some people do their jobs. For example, company employees can now work from home on a computer or tablet, so they don't need to go into an office every day. This is called remote work. As a result, people spend less time traveling and more time at home with their families.

- 1 According to the passage, why don't company employees need to go into an office every day?
- 2 Now, please look at the people in Picture A. They are doing different things. Tell me as much as you can about what they are doing.
- 3 Now, look at the man in Picture B. Please describe the situation.

Now, Mr. / Ms. _____, please turn the card over and put it down.
- 4 Do you think working at home is better than working in an office?
Yes → Why? No → Why not?
- 5 These days, a lot of people play video games. Do you play video games?
Yes → Please tell me more.
No → Why not?

Remote Work

The internet has changed how some people do their jobs. For example, company employees can now work from home on a computer or tablet, so they don't need to go into an office every day. This is called remote work. As a result, people spend less time traveling and more time at home with their families.

Nick's answers:

1. Because they can now work from home on a computer or tablet.
2. A man is using the computer. A boy is turning on the TV.
A woman is vacuuming the carpet. A girl is talking on the phone. A baby is crying.
3. He can't sit down because there are too many people on the train.
4. No. I think working in an office is better because you can talk to other people. Also, walking to the train station is good exercise.
5. Yes, I play games on my computer every night. I like to play games because they help me to relax.
