USD 399 / 299 EURO

**CHANGE MODE**

**Touch and hold**

To change between color,  
scene and dimmer mode

Scene 2/8

#### SCENE MODE

The left and right buttons allow you to change the current scene. A scene can be static (one step) or dynamic (several steps with fade/hold time)

65%

#### DIMMER MODE

The left and right buttons can be used to change the brightness. Pressing the 2 arrows simultaneously will reset to the default level.

Yellow

Color

#### COLOR MODE

Holding the left or right button allows for direct access to any color. A single touch gives access to the basic colors. Pressing the 2 arrows at the same time will return to the default color.

Pressing previous and next  
simultaneously will reset dimmer/color
