

REFLECTION TALL FESCUE

Festuca arundinacea

DESCRIPTION

Reflection Turf-Type Tall Fescue is a new and improved IRTTM release selected for turf quality and brown patch resistance with A-LIST quality. Reflection is an elite cultivar that excels in challenging southern transition zone conditions. It has improved recovery from wear, drought tolerance, plus retains color late into the fall and winter months. Reflection Turf-Type Tall Fescue excels in a variety of environments and extreme conditions that require resilient turf. In the 2013-17 NTEP data trials, Reflection was rated #1 for summer density. (University recommended for the transition zone)
