

EXPEDITE PERENNIAL RYEGRASS

Lolium perenne

DESCRIPTION

Expedite Perennial Ryegrass is our new high-performance release that is topping the charts in turf quality and improved gray leaf spot performance. The improved genetics of Expedite make it perfect for heavy-use sports fields, golf courses, and lawn applications that demand premium turf quality combined with disease and traffic performance.

APPLICATION

- Golf course fairways, tees, and roughs, sports turf, lawn and landscaping
- Use in blends with other high-performance Perennial Ryegrasses and mixtures with other cool-season species

GEOGRAPHICAL ADAPTATION

Cool-season and transition zones, arid regions with irrigation, warm-season zones for winter over-seeding of Bermudagrass turf

PRODUCTION AREAS

Pacific Northwest

SEEDS PER POUND

~250,000

FEATURES & BENEFITS

- Excellent turf quality
- Leading variety for gray leaf spot tolerance
- Fine texture
- Dark green color
- Excellent traffic tolerance
- Contains endophytes
