TRIDENT
PERENNIAL RYEGRASS

Lolium perenne

DESCRIPTION

Trident Perennial Ryegrass (PPG-PR 643) is a top variety from the most recent generation of elite perennial ryegrass. Trident demonstrates strong tolerance to heavy traffic and disease pressures making it an ideal variety for turf managers or homeowners looking for consistent success in all conditions. The uniformity and dark green color of Trident make it an ideal cultivar for sports fields, home lawns and golf courses.
