Tax Return Preparation

- We will prepare your federal and any applicable state tax returns based on the information you provide. Services for preparation of your return(s) do not include auditing or verification of information provided by you.
- This engagement does not include any audit or examination of your books or records. In the event your return is audited, you will be responsible for verifying the items reported.
- You must review the return carefully before signing to make sure the information is correct.
- Fees must be paid before your tax return is delivered to you or filed for you. If you terminate this engagement before completion, you agree to pay a fee for work completed. A retainer is required for preparation of late returns and multiple year returns.
- Fees charged for tax return preparation do not include audit representation or preparing materials to respond to correspondence from taxing authorities.
- Preparation fees do cover limited assistance and consultation during the year.
- The engagement to prepare your tax returns terminates upon delivery of your completed returns and original documents to you. Please store your supporting document and copies of your tax returns in a secure place for at least **seven** years. We will retain copies of records you supplied to us along with our work papers for your engagement for a period of **five** years. After **five** years, our work papers and engagement files will be destroyed.

Taxpayer Responsibilities

- You agree to provide us all income and deductible expense information. If you receive additional information after we begin working on your return, you will contact us immediately to ensure your completed tax returns contain all relevant information.
- You represent that the information you are supplying to us is accurate and complete to the best of your knowledge and that your claimed expenses for meals, entertainment, travel, business, gifts, charitable contributions, dues and memberships, and vehicle expenses etc. are supported by records as required by law. We will not verify the information you give us. However, we may ask you for clarification of information that is inconsistent or incomplete.
- You must be able to provide written records of all items included on your return if audited by either the IRS or state tax authority. We can provide guidance concerning what evidence is acceptable.

Statement of Understanding

- You have chosen the professionals of TAX IT EZ to prepare and file your tax return prior to **April 15th, 2024**. - **Time & Service Fee: Please note if we prepare your taxes and you decide to not complete them with our office for any reason, there will be a minimum Time & Service Fee Charged of \$150 due at the time of service. If you later change your mind and wish to have us complete your return, the \$150 will be applied to your final invoice.**
- All clients will be given one copy of their tax return. Should you need additional copies now or at a later date, we will happily provide them to you; however, there will be a **\$25 minimum** charge per copy per return.
