

Are you ready for NITSL 2020?

CROWD COMPASS APP

As this year will be quite different having it virtually, we want your experience to be comfortable.

Our virtual conference team recommends that you have a headset, two monitors (if possible) and the Microsoft Teams app setup prior to the start of the conference.

NOTE: MUST BE REGISTERED TO ACCESS !

The Conference is available via **Desktop**

All Meeting links are in the agenda in the Crowd Compass

NITSL THEME DAYS!

We want to see your faces!

As part of the virtual conference we would like to keep engagement with all of you with some fun themed days!

All participants will be entered into a drawing to win prizes.

To enter you must post a picture of yourself attending in your theme of the day apparel in the Crowd Compass App Social Wall.
