Hi, my name is Joaquin El Chapo Loera Guzman that has the right of my foreign policy and the U.S.A Policy on being emerged an use for my rights in the federal courts. Today, am writing this letter to the Eastern district courts on the violation that has occur on the jury intimidation of the judicial standpoints on giving me a guilty verdict on the unseen act law. In am also asking the Judge Brian Cogan to give me another chance on showing the people that my conviction of 2019 has change my whole life on the behalf of my living twin daughters and wife that need me in there present. The foreign policy and the U.S.A policy won't use in my trial on following the constitution of powers for my court attention. Emerging these laws together is my citizen rights of the Eastern district courts once I was extradited to the U.S. for my freedom and slander of the Mexican government violence. Thanks to the U.S. district judge on filing my letter of my case with my lawyer and writing me back in ~~to~~ translate letters.
