Aqua Sport

AQUEOUS AEROSPACE CERTIFIED CLEANER

Aqua Sport is a high performance ready to use aqueous cleaner and degreaser certified for aerospace industry. Easily cleans carbon deposits, grime, bugs and other soils. Does not harm paint, rubber or any other materials not harmed by water.

Aqua Sport is convenient to use, effective and saves on labor costs. A biodegradable, completely non-toxic replacement for harmful solvents.

DIRECTIONS FOR USE

Simply spray on to the surface, let stand for about 15 seconds, wipe off using North woods Aerospace Wipes or an equivalent wipe.

For tougher soils, let stand longer before wiping off.

BENEFITS

- High performance cleaner
 - Certified for aerospace use
 - Non-Toxic
 - Biodegradable
 - Cleans & degreases
 - Does not harm paint, rubber or engine components
 - Saves labor
