

Bio Solv

BIODEGRADABLE ASPHALT & ADHESIVE REMOVER

North Woods® Bio Solv is the latest break-through in earth safe formulations designed to replace its man made hazardous counterparts. Derived from new age surfactant technology, this scientifically formulated, non-terpene formula is unparalleled in performance when removing asphalt, mastic, or adhesives.

Widely used by construction companies, contractors, highway departments, and other firms - Bio Solv is the ultimate cleaner for removing the build-up of asphalt and tars on truck beds, drag slats, spreaders, automatic shovels, wheel barrows and other surfaces. It's also great for removing floor mastic and other tenacious adhesives.

DIRECTIONS FOR USE

USE STRAIGHT, OR 20:1 OR 30:1 DILUTION

Application VIA a spray arch, pump up sprayer, foamer, compressed air sprayer, or manually. Dwell time vastly improves with repeated use.

PRODUCT PROPERTIES

- Appearance:** Clear liquid
- Odor:** Mild, characteristic
- pH (Conc./1%)(±0.5 @20°C):** 7
- Foaming tendency:** none
- Freeze/thaw stability:** 3 cycles
- Flash-point (TCC):** None
- Biodegradable (per 16CFR260):** Yes
- Section 313 chemicals:** None

BENEFITS

- Quickly removes asphalt and adhesives
- Safe on all metal and painted surfaces
- Completely Biodegradable
- Non-terpene, scent free formula
- Contains no phenol
- Water soluble and dilutable
- High flash point
- Reduces labor costs

AVAILABLE SIZES:

- 5 gal
- 55 gal
- 330 gal totes
