

# ENVIRO KOTE

## CONCRETE FOAM RELEASE AGENT

North Woods® Enviro Kote is an innovative, environmentally safe, industrial release agent designed especially for the professional concrete industry.

It is water soluble, dilutable formulation prevents concrete from adhering to tools, molds, rollers, forms, and other surfaces.

### DIRECTIONS FOR USE

#### DILUTE 8:1 OR 20:1

Enviro Kote can be diluted from 8:1 to 20:1 depending on the intended application.

Spray emulsion onto surface, and allow Enviro Kote to set prior to use. There are also many other applications. Please consult a sales representative for further information.
