

Table Top

READY TO USE DISINFECTANT CLEANER

Table Top is a 100% active disinfectant designed for surfaces that are not harmed by water.

Table Top is designed to clean, disinfect and deodorize any inanimate surface. This highly effective disinfectant will not harm any surface that is not harmed by water.

Ready to use formula saves labor and product waste. 1 quart spray bottle packaging makes it easy to use and store the unused product which makes this product ideal for frequent sanitizing.

DIRECTIONS FOR USE SPRAY & WIPE OR LET DWELL

Read label for complete directions prior to use. It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

General Cleaning:

Spray soiled area and then wipe off.

Disinfecting & Deodorizing:

Clean the area first and reapply product. Hold the sprayer six to eight inches away from surface to be treated. Saturate the area with product, allow area to be visibly wet for about 2 minutes and wipe off with clean cloth. Please see details on the label.
