Critical Essays on Disability Rights Jurisprudence

Combating Exclusion, Embracing Inclusion

Praise for the book

"Critical Essays on Disability Rights Jurisprudence: Combating Exclusion, Embracing Inclusion is an important and powerful collection of essays and reflections on disability rights and theory by advocates with disabilities. Dr Jain's edited collection deserves praise for giving voice to significant stakeholders from the Global South."

"Critical Essays on Disability Rights Jurisprudence: Combating Exclusion, Embracing Inclusion brings together reflections from disability rights scholars from India and beyond. The focus on India, and other countries in Asia, makes the book a valuable contribution to research in this field, as it explores jurisdictions which are often not addressed in literature on disability rights. This book will lead to further awareness, reflection and engagement in this field in India and beyond."

Professor Lisa Waddington
Professor of European Disability Law
Maastricht University, the Netherlands

"A garland of exotic and fragrant flowers in the form of profound essays in Disability Rights Jurisprudence, authored by eminent scholars, painstakingly compiled and edited by Dr. Jain and presented as a tribute to two outstanding legal luminaries and social activists, Prof. Dr. Shirish Deshpande and Father Joy Karayampuram."
