BIG TEN. BIG NEWS.

- All 14 schools are in action as the first full week of Big Ten play gets started, with six conference schools (Illinois, Indiana, Maryland, Minnesota, Ohio State and Purdue) opening their Big Ten slates on Saturday.
- Michigan has won 33 of its last 35 Big Ten Conference openers following last Saturday's victory over Penn State at Michigan Stadium.
- Michigan has scored at least 40 points in the first four games of a season for the first time since 1947. The Wolverines have tallied 208 points this year, setting a school record for the most points through the season's opening four games.
- Wisconsin won its seventh consecutive game away from Camp Randall Stadium, as well as its 11 Big Ten road game in the past 12 tries. The Badgers also picked up their first win at Michigan State since 2002.
- Nebraska is off to a 4-0 start for the second time in three seasons and the fourth time since 2010.
- Iowa has won nine consecutive regular season conference games, its longest winning streak in Big Ten play since the Hawkeyes won 10 in a row from 2001-02. Iowa also has won its last seven games on the road.
- Iowa head coach Kirk Ferentz picked up his 77th career Big Ten regular season win, passing former Illinois head coach Robert Zuppke for seventh in conference history.
- Indiana quarterback Richard Lagow passed for a school-record 496 yards against Wake Forest. Wideout Ricky Jones was on the receiving end of a career-high 208 yards, the fifth-highest receiving yardage total in Indiana program history.
- Minnesota is a perfect 14-for-14 in the red zone this season, with 13 of those red zone trips resulting in touchdowns.
- Purdue's win over Nevada on Saturday was the Boilermakers' 600th all-time victory. The 11-point comeback win was the Boilermakers' largest since defeating Michigan, 38-36 in 2009.

BIG TEN FOOTBALL AWARDS

The Big Ten will continue to honor its past while recognizing its current standouts at the conclusion of the 2016 campaign. The Big Ten's enhanced football awards program presents 19 individual trophies in addition to the Big Ten Championship trophy, bearing the names of one or two former standouts. The distinguished names on these football awards honor just a small sampling of the countless students and coaches who have contributed to the conference's rich and storied history.

Seventeen of the honors will be awarded immediately following the regular season, including awards for the best quarterback, running back, receiver, tight end, offensive lineman, defensive lineman, linebacker, defensive back, kicker, punter and return specialist. Each of these individual position awards features the names of two former standouts.

The Big Ten will also continue to honor the conference's top coaches, offensive and defensive players and linemen and freshmen with end-of-year trophies. Big Ten coaches have the opportunity to claim two awards. Media voters will select the Dave McClain Coach of the Year, which has been awarded since 1972, while coaches vote for the Hayes-Schembechler Coach of the Year award. The top offensive player will receive the Graham-George Offensive Player of the Year award, the best defensive player will be awarded the Nagurski-Woodson Defensive Player of the Year award and the best first-year standout will receive the Thompson-Randle El Freshman of the Year award.

The winner of the Big Ten Football Championship Game will receive the Amos Alonzo Stagg Championship Trophy, while the most outstanding player in the game will be awarded the Grange-Griffin Championship Game MVP award. The conference also created two postcollegiate awards - the Ford-Kinnick Leadership Award and the Dungy-Thompson Humanitarian Award.

The full list of awards, along with a breakdown of the former standouts appearing in each award's name, appears to the right.

BIG LIFE. BIG STAGE. BIG TEN.

For more than 25 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Big Life. Big Stage. Big Ten.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 78 universities in the nation according to the 2014 Academic Ranking of World Universities, including six in the top 25.

The Big Ten leads all conferences with more than 1,600 Academic All-Americans, including 48 honorees during the 2015-16 academic year.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least seven national championships in seven of the last eight academic years.

In the last three full academic years, current Big Ten institutions have claimed 23 team national championships in 14 different sports.

Over the last 10 full academic years, current Big Ten institutions have won 77 team national titles in 23 different sports.

BROAD-BASED PROGRAMMING

The Big Ten will administer over \$200 million in direct financial support to more than 9,500 students competing in intercollegiate athletics for more than 11,000 participation opportunities on 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse the last three years.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

Almost 1,400 Big Ten competitors have participated in the Olympics, winning more than 600 medals, including nearly 300 gold. Heading into the 2016 Olympic Games, more than 100 current or former students at current Big Ten institutions were named to Olympic teams.

PASSIONATE FOLLOWING

The Big Ten leads all conferences with 5.7 million alumni and nearly 580,000 students.

Each year more than 11 million patrons attend Big Ten home contests, as the conference leads the nation in attendance for men's basketball, hockey, volleyball and wrestling.

LEADERS IN INNOVATION

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Implemented the first collegiate football system of instant replay in 2004, which the NCAA approved for use among all conferences in 2006.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Accepted Johns Hopkins University as the conference's first sport affiliate members in men's and women's lacrosse in 2013 and 2015, respectively.

EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's current media agreements with BTN, ABC/ESPN, CBS and FOX, nearly 1,400 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN is in more than 60 million homes across the United States and Canada. BTN2Go is BTN's digital extension, delivering live and on-demand programming to computers, smartphones and tablets. BTN Plus within BTN2Go streams hundreds of additional events each season.

COMMUNITY INVOLVEMENT

For more than 25 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Surrounding the Big Ten Football Championship Game and Basketball Tournaments, the conference has held numerous community initiatives, such as the Big Ten Career Expo, SaturDAY of Service and Youth Football Clinics. In addition, the Big Ten has hosted a downtown 5K, collaborated with a local breast cancer awareness group and provided unique event experiences for military veterans.

BIG TEN FOOTBALL DIVISIONAL TIEBREAKER

The Big Ten football championship will be decided by a game played between the two division champions. A team or teams that are not eligible to participate in a postseason football bowl game as a result of NCAA and/or Big Ten sanctions shall not be eligible to participate in the Big Ten Football Championship Game. The winner of the Big Ten Football Championship Game will represent the conference in one of the bowls that comprise the College Football Playoff - the Cotton, Fiesta, Peach, Orange, Rose or Sugar Bowl. If the Big Ten Champion is ranked No. 1, 2, 3 or 4 in the final College Football Playoff poll, the team will play in a semifinal game. Otherwise, the Big Ten Champion will play in the Rose Bowl Game (when not hosting a semifinal) or the Cotton, Fiesta or Peach Bowl.

The following procedure will determine the representative from each division in the event of a tie:

- (a) If two teams are tied, the winner of the game between the two tied teams shall be the representative.
- (b) If three or more teams are tied, steps 1 through 7 will be followed until a determination is made. If only two teams remain tied after any step, the winner of the game between the two tied teams shall be the representative.
 1. The records of the three tied teams will be compared against each other.
 2. The records of the three tied teams will be compared within their division.
 3. The records of the three teams will be compared against the next highest placed teams in their division in order of finish (4, 5, and 6).
 4. The records of the three teams will be compared against all common conference opponents.
 5. The highest ranked team in the first College Football Playoff poll following the completion of Big Ten regular season conference play shall be the representative in the Big Ten Championship Game, unless the two highest ranked tied teams are ranked within one spot of each other in the College Football Playoff poll. In this case, the head-to-head results of the top two ranked tied teams shall determine the representative in the Big Ten Championship Game.
 6. The team with the best overall winning percentage [excluding exempted games] shall be the representative.
 7. The representative will be chosen by random draw.

If one or both of the Big Ten division champions is ineligible to play in the Big Ten Championship Game, then the participant(s) in the Big Ten Championship Game shall be determined by the following procedure:

- a) If the ineligible team is tied for the division championship, then the team it tied with shall be the Big Ten Championship Game representative.
- b) If two or more teams are tied with an ineligible team for the division championship, then the ineligible team is removed and the remaining teams revert to the tie-break procedure.
- c) The division runner-up shall be the Big Ten Championship Game representative.
- d) If there is a division runner-up tie, then the tied teams shall revert to the tie-break procedure.

If the championship game cannot be played (due to any reason beyond the control of the Big Ten Conference), the two division champions (using divisional tie-breakers as set forth above) shall be declared co-champions and the following procedure will be used to determine the Big Ten Conference representative to the College Football Playoff:

- a) Teams ranked No. 1, 2, 3 or 4 in the final College Football Playoff poll will automatically be placed in the College Football Playoff.
- b) If the two divisional representatives met previously in the season and neither is ranked No. 1, 2, 3 or 4 in the final College Football Playoff poll, the team ranked highest in the final poll shall be the representative to the College Football Playoff, unless the other team is ranked within five or fewer places of the higher ranked team. In this case, the head-to-head results of the two teams shall determine the conference's representative.
- c) If the two divisional representatives did not meet previously during the season, the team ranked highest in the College Football Playoff poll shall be the representative.
- d) If the two teams are tied in the College Football Playoff poll, the team with the best overall Big Ten record shall be the representative.
- e) If the two teams remain tied after d), the team with the best combined record of the tied teams against all common Big Ten opponents each team played that season shall be the representative.
- f) If the two teams remain tied after e), the representative will be the team with the best overall winning percentage.
- g) If the two teams remain tied after f), the representative will be the team furthest removed from College Football Playoff, Bowl Championships Series or Rose Bowl Game participation (as appropriate).
- h) If the two teams remain tied after g), the representative shall be determined by a random draw.
