DEAR WILDCAT GOLF FANS:

I am very excited to invite you to join us at the 2015 Wildcat Golf Day at North Shore Country Club. This will be another wonderful day at an amazing facility continuing the culture of support championed by our most famous golf alum, Luke Donald.

Luke has been incredibly generous to our golf program, putting his name and support to our largest fundraiser in 2009. I couldn't be more thankful that Luke began this tradition that now includes the return of many of our professional golf alumni each year.

We have been very fortunate to have the success that we have with our golf programs. Our men's program has now played in 15 NCAA Championships and seven NCAA Finals since 1997 and won four Big Ten Championships. Your generous support has made this success possible. We also are realizing our goal of not only continuing success in Men's Golf but growing our Women's Program to the top of the Big Ten and the nation under the leadership of three-time Big Ten Coach of the Year Emily Fletcher.

She has led her team to two Big Ten Championships, including the program's first league title in 2013, and three-straight NCAA Tournament appearances. This past season, the women's program secured the program's first-ever top-10 NCAA Championship finish.

To achieve our goals and continue improving we need your support now more than ever. Wildcat Golf Day is an annual event and our primary fundraiser for both programs. Your support makes it possible for us to recruit and compete with the best teams in the Big Ten and in the nation.

Please come out and join us to have a fun day and support Wildcat Golf. This will be a memorable event on the golf calendar, so please invite fellow NU fans, clients, golf fans and friends.

Go 'Cats!
