# The Dawn Of New Ideas

## Consultants

The Dawn Of New Ideas 52 years! Our Company, and The Dawn Of New Ideas, started back in 1964. Back then, our philosophy of biodegradable environmentally safe products was scoffed at. Just coming through two major wars, with another starting, our country had other notions. People changed oil in their driveways, gasoline was an inexpensive weed killer, DDT was sprayed on crops consumed by the masses, people practically bathed in solvent. Toxin exposure was endless. It's truly amazing any of us survived these times!

In 1964, just as it is today, North Woods® mission to develop state of the art eco safe products and processes stands strong. Human, and animal life, plus the protection of our environment is paramount to us. True green as it was meant to be, not just some marketing slogan. We've learned some lessons along the way too. The best way we can help you, and make a positive impact to Mother Earth, is to become a resource and a consultant of change for you.

We've been blessed with 52 years of making a difference. Let us roll up our sleeves and be your consultant of improvement. There is a better way. Thank you, and may God bless you and your family.

All North Woods® formulations are of the highest quality, and of exceptional performance. The vast majority of them, where applicable, are biodegradable and are extremely user safe. Certainly besting their industry

peers. They have to meet this rigorous criteria to proudly bare our registered North Woods® name. Below is a sampling of just some of our products that we've received third party certification for.

### ALIVE LIQUID BACTERIA

Is a revolutionary, non-toxic, non-acid, non-caustic, biological drain treatment. It's 110 billion bacterial colonies per quart go to work fast to breakup and digest organic waste found in drain lines, while simultaneously destroying any malodors.

### ALL NATURAL DISH

All Natural Dish is a high sudsing, long lasting, super concentrated hand dishwashing liquid made completely from all natural ingredients. There are no artificial colors/dyes, fillers, or perfumes; only the finest natural cleaning agents derived from plant based surfactants.

### ALL NATURAL GLASS

Finally, an All Natural Glass Cleaner that out performs conventional glass cleaners! Biodegradable, nontoxic, petroleum free, and an absolute pleasure to use. No harsh chemicals or solvents are used in its creation – it's all natural! Best of all—it works fantastic!

### AQUA BLAST

Aqua Blast is the ultra-safe solution of choice for maintenance and production cleaning of industrial, automotive, and aircraft components. Biodegradable, nontoxic, nonflammable.

### AQUA KLEEN

This revolutionary parts washing formulation cleans like a solvent, yet is biodegradable and nontoxic. Its user friendly pH, great performance, fantastic economy, and pleasant fragrance – makes it the ideal mineral spirits replacement. Unbelievable product! Nonflammable, no VOC's, and nonhazardous.

### AQUA SUPREME

Revolutionary solvent free grease, ink, and adhesive remover. Cleans like a solvent, yet is water based. Clean ink, other organic soils & grease. Nontoxic, biodegradable & nonflammable.

### BIG GREEN GC

Big Green GC is North Woods® latest breakthrough in environmentally safe, extreme concentration, detergent compression technology. It's biodegradable, earth safe chemistry allows for fantastic cleaning results. DFE certified.

### BIG GREEN SC

Big Green SC's extreme concentrations yield unheard of cleaning savings. You won't believe the results, the space savings, and the economy! Big Green is certified by the EPA's DFE Program. It contains only the finest readily biodegradable ingredients to make surfaces look their absolute best.

### EVER GREEN™ FLOOR FINISH

This products off the mop gloss, leveling ability, ease of use, simple maintenance, and ultimate black mark resistance—rivals that of any “nongreen” finish available today! Fantastic product!

### EVER GREEN™ FOAM SOAP

This luxury skin cleanser smells great, rinses freely, leaves hands feeling revitalized, and is truly a pleasure to use. All of this, and it's Green Seal™ certified (GS-41) too! Available in cartridges and pump bottles.

### EVER GREEN™ GLASS CLEANER

Extremely concentrated for effective and ultra-economical use! The perfect product for glass, mirrors and many hard surfaces. Best of all, besides being green, it works like no other glass cleaner can! Specially formulated for fast, nonstreaking cleaning of glass and other hard surfaces.

### EVER GREEN™ STRIPPER

This low odor, pleasantly scented, no-rinse formula is easy to work with and is perfect for use in all types of facilities. It effectively removes all types of floor finish and sealers, on all types of floors—even from rubber flooring!

### SPARKLING GREEN

Sparkling Green outperforms hazardous spray cleaners, yet does it safely and gently, without the harmful side effects of ingredients typically used in industrial strength cleaners. Cleans tough soil, and grease - yet leaves no film or residue. Great natural fragrance too.

### SUN TABS ENZYMATIC URINAL BLOCKS

Sun Tabs get rid of nasty odors, while refreshing the entire restroom, plus cleans urinal traps and drain lines! No Para dichlorobenzene, no harsh chemicals, no carcinogens. Its natural formula is completely safe and biodegradable.

### SUN BLOCKS/SUN BOWL ENZYMATIC PRODUCTS

Sun Blocks & Sun Bowl's natural formula is completely safe, biodegradable, and refreshing! Their ultra safe, ultra effective formulation ensure that your urinals & toilets—don't smell like urinals! No Para, no harsh chemicals and no carcinogens.

Welcome  
**UltraGreen™**

The Products on This page Have Earned  
One Or More Of The Following Seals:

**Alive Liquid Bacteria**  
Non-toxic, non-acid, non-caustic, biological drain treatment. 110 billion bacterial colonies breakup and digest organic waste while destroying any malodors. Great for urinals!

**All Natural Glass**  
Biodegradable, nontoxic, petroleum free, and an absolute pleasure to use. No harsh chemicals – it's all natural! Cleans glass, mirrors, and high gloss surfaces.

**Aqua Seal**  
Aqua Seal is an environmentally safe, biodegradable additive for drains and waterless urinals. It is ideal to combat sewer gas, and putrefactive odors in stagnant drains and in interior building man-holes. Nontoxic.

**Blue Spruce Clinging Bowl Cleaner**  
Wintergreen thick blue 9% acid bowl & urinal cleaner with six inhibitors to protect skin & clothes while vanishing stains, rust, soil & organic deposits in toilets, urinals, sinks, etc. E.P.A. registered disinfectant.

**Brilliance Film Remover**  
Ready-to-use formulation that removes glass oxidation, grease, hairspray, nicotine film and hydroscopic pollutants. Leaves all glass and mirrored surfaces brilliant.

**Citrazyme Laundry Miracle**  
Miraculous enzyme & citrus solvent blend is the ultimate laundry pre-spot agent! Tough soils vanish after washing.

**Deep Clean Crème Cleanser**  
A mint scented crème cleanser containing fine jewelers rouge for stubborn stains in bathrooms & sink fixtures that won't scratch surface. Polishes too.

**Drain Free Non-Acid Drain Opener**  
Acid free blend of ingredients make it safer than sulfuric acids, yet highly effective in opening clogged drains. Saponifies grease, is odor free, and will not harm plumbing.

**Drain Fresh**  
Drain Fresh is a powerful biological formula designed to maintain clean, free flowing drains by digesting and eliminating grease and organic build-up. It eliminates the food and harboring area for fruit flies and drain flies. This extra-heavy gel coats drain lines for long lasting results. Safe for plumbing.

**Earth Essence Odor Elimination System**  
Earth Essence is our latest eco safe product. Its super concentrated formula eliminates odors leaving a naturally fresh fragrance behind for less than a penny a spray. It's a metered, proven money saver, that makes aerosols a thing of the past! Biodegradable, no VOC's, naturally fragranced, and safe on all surfaces not harmed by water.

**Fire Ball Foam Degreaser**  
Natural citrus solvent that sprays out as a foam for economy, and works like no product on the market. Surpasses any other cleaner you've ever seen! Take the challenge.

**Lift Off Foaming Oven Cleaner**  
Ready-to-use foam clings to vertical surfaces to remove stubborn grease & carbon. Three times faster & more efficient than leading aerosols.

**Mega Quat**  
This latest breakthrough in disinfectant technology combines the kill of much harsher disinfectants with the user friendly benefits of "quats". Best of both worlds!

**Mega-Cide Disinfectant/Deodorizer**  
RTU, highly effectively disinfectant and deodorant. Virucidal against MRSA, Herpes Simplex I & II and the HIV (aids) virus. Irreplaceable germ fighter!

**Molecule Plus 70 Airborne Odor Counteractant**  
Instantly your facility will smell as clean as it looks! Simply spray Molecule Plus 70 into the air, ventilation vents, HVAC filters, and ductwork.

**Molecule Plus 100 Odor Counteractant**  
Extreme strength odor counteractant instantly destroys even the worst of malodors! Nontoxic & biodegradable – direct contact odor elimination on odiferous sources. Fantastic as a carpet shampoo, laundry, or auto scrubber additive!

**Oven Safe**  
Safely clean ovens, grills, griddles, and deep fryers without gloves...and no gas mask! No fumes...and no harsh chemicals, no noxious odors. Spray on and use the Oven Safe pad to gently clean off baked on carbon and grease. No residue.

**San Foam Spray Cleaner**  
A superb cleaning product that sprays out as a foam, clings to vertical surfaces. Tough soils are simply wiped away. Works great in restrooms and factories alike.

**Sani-Mist**  
Highly effective alcohol based sanitizer. Fantastic for food processing operations that are sensitive to moisture. Extensive list of kill claims, gained from the quat/alcohol synergy, make this ready to use product a must have for discerning food grade applications.

**Sani Spray**  
This ready to spray EPA registered sanitizer is effective against Salmonella, E-coli, Listeria and much more. Plus, it's safe for all food contact surfaces! Sanitizes without the guess work!

**Shield High Gloss Polish**  
Lemon oil based product that does a fantastic job on all surfaces. Furniture, wood, stainless steel, enamel, porcelain, ceramic, etc. Truly versatile.

**Shower Foam Disinfectant & Cleaner**  
Penetrates & removes stubborn body oils, filth & hard water deposits on showers, bath tubs, sinks, fiberglass stalls & drinking fountains. Great for tile and grout too!

**Skidew Mold Remover**  
A truly fantastic product for removing the black or grey stains of mold & mildew. Simply spray on surface – let dry – and it's gone. Truly top shelf performance.

**Sparkling Green**  
Outperforms hazardous spray cleaners, yet does it safely and gently, without the harmful side effects of ingredients typically used in industrial strength cleaners. Great natural fragrance too.

**Spot Gone Rug & Upholstery**  
A quality ready-to-use product that immediately attacks water & oil spots on all carpets & upholstery. Spray on, agitate & wipe off all soils.

**Spot Master Spot Eliminator System**  
Carpet cleaning has never been faster or easier. With the Spot Master Brush–there's no more getting down to agitate the surface and no blotting required under normal circumstances! Microscopic crystals are easily vacuumed away.

**Super Bowl**  
Powerful thick blue 9% acid bowl & urinal cleaner with six inhibitors to protect skin & clothes while vanishing stains, rust, soil & organic deposits in toilets, urinals, sinks, etc. Great grout cleaner too!

**Sunbath Non-Acid Cleaner**  
Immediately cleans and disinfects any inanimate surface and kills Herpes Simplex I & II and the HIV (aids) virus. Terrific fragrance lasts for hours. Thickened formula goes twice as far. E.P.A. registered disinfectant.

**Shock & Awe Urinal Renovator**  
This high powered, high acid cleaner completely dissolves uratic salt, rust, and calcium on contact. Breaks up deposits that cause urinal drain lines to run slow. Shock & Awe restores fiberglass boat hulls to like new condition too!

**Sweet Dreams Bed Bug Eradicator**  
Finally an economical, safe, treatment that eradicates bed bugs. Sweet Dreams kills bed bugs on contact, plus leaves a 30 day residual behind to ensure they don't return. Nontoxic, biodegradable, all natural, and environmentally safe. Will not stain, discolor, or leave unsightly residue– plus it's pet safe too! Available in quarts and TSA approved 3 oz. bottles for travel.

**Table Top Disinfectant Cleaner**  
A ready-to-use formulation for disinfecting table tops, bar and seat surfaces for restaurants, lunchrooms, etc. Just spray and wipe, surfaces left germ free. No mixing required.

**Wham Drain Opener**  
A high power sulphuric acid drain opener, five times the weight of water, that immediately opens any clogged drain in minutes. Has special inhibitors to minimize odors & protect plumbing.

**Zap Power Cleaner**  
Pleasantly scented ready-to-use product packed with "clean power." Makes removing the toughest of stains a breeze. Simply spray on and wipe off, no rinsing needed.

**Anti-Seize**  
A superior time tested product containing aluminum and our own lubricant & sealant to protect and seal all metal surfaces. Stops corrosion and will withstand extreme heat to 2,000 degrees F. Excellent product.

**Break Away Lubricant**  
A non-flammable moisture displacement, lubricant & penetrating fluid that is far superior to WD-40 & quickly loosens rusted bolts & nuts. Has U.S.D.A. authorization & is the best on the market!

**Fast Brake High Performance Brake Cleaner**  
Is noncarcinogenic, contains no ozone depleting substances, no harmful CFC's, no chlorinated solvents, and features a low VOC formula. This quick acting solvent cuts through soil FAST AND IS RESIDUE FREE!

**Armor Kote Protective Coating**  
This ultra-durable, rubberized spray coating provides a layer of protection unheralded in the maintenance world. Its ability to seal out moisture, stop and prevent leaks is unparalleled.

**Coil Clean**  
This high power coil cleaner does what no other coil cleaner can. Its rinse free formula flushes away grease, oxidation, pollutants but then goes one step further. It cleans, disinfects, and deodorizes!

**Fiber Fresh Carpet & Upholstery Cleaner**  
This is a powerful, dry spray foam that penetrates, cleans, deodorizes, and digests organic deposits and dirt trapped in carpets and upholstery. Simply spray foam onto surface, allow foam to "break," and wipe with a towel.

**Big Bite Degreaser**  
This is a high power, citrus fortified foam cleaner. Designed especially for hard to remove grease and soil unaffected by other cleaners. Its clinging foam permits long lasting contact with all surfaces.

**De-Ice**  
An aerosol formulation that is a fast, simple, and safe way to remove unwanted ice and frost. It will thaw ice from windows, windshields, headlights, icy steps, equipment, and other surfaces.

**Flush**  
This money saving foam removes grease, lint, dirt, filth, and debris from indoor and outdoor air conditioner coils and fins, evaporator coils, drip pans, and drain lines. Acid free Flush provides continuous natural enzymatic cleaning.

**Blotter**  
Blotter removes greasy, oily carpet and upholstery spots immediately! Just spray into spot, allow to work for a few seconds, and blot out. Greasy, oily spots are removed right before your eyes.

**Dry Lube**  
Clean, dry, and more slippery than graphite - this chemically inert, non-oily, fast drying formulation is made with extremely fine Teflon® fluorotelomer powder. Dry Lube is odorless, and stainless.

**Food Safe**  
Is a white, odorless, food grade grease designed to meet the specific lubricating needs of dairy, meat, and food processing equipment. Complies with FDA and USDA Regulations. Also available in tubes.

**Bond Adhesive Spray**  
A high solids, fast setting, water resistant, colorless adhesive for bonding paper, cardboard, glass, leather, urethane foam and some plastics. Can be used to create a temporary or permanent bond. Triple Strength.

**Edi-Lube**  
Is a colorless, odorless, food grade lubricant designed to meet the specific lubricating needs of dairy and food processing equipment. Complies with FDA and USDA Regulations.

**Fume Free Oven & Grill Cleaner**  
This easy to use oven and grill cleaner sprays out as a foaming gel, so it clings to vertical surfaces. It quickly penetrates and dissolves carbon deposits, grease, and baked on foods allowing them to be easily wiped away. A pleasure to use.

**Electro Kleen Safety Solvent**  
A 32,000 dielectric volt safety solvent that dries in seconds. Removes deep seated grease & gunk from motors, compressors & machinery while still operating. A handy product used by millions.

**Force Field**  
Welcome to 21st Century Skin Care! This phenomenal product was designed to shield skin against the damaging effects of a multitude of industrial irritants such as: solvents, paints, fiberglass resin & fibers, inks, stains, grease, dirt, oil, epoxies, and many other harsh chemicals too numerous to mention.

**Gear Lube**  
An open gear lube for chains, open gears, wire ropes, cables, etc. where a heavy service range is required. Reduces noise and protects gears from excessive load pressure. Protects from rust.

**Germicide Foaming Disinfectant Cleaner**  
Thick cleaning foam actually lifts dirt & germs from surfaces & leaves the surface clean, bacteria free & kills mold & mildew. E.P.A. & U.S.D.A. registered. Great fragrance.

**Grease Moly High-Temp In Can**  
Deep penetrating red liquid that sets up in less than 5 minutes to a thick water proof grease. Lubricates & prevents rust in all those hard to reach places. Heat stable to 550°F. Also available in tubes.

**Hammer Baseboard Cleaner**  
Viscous jell that clings to vertical surfaces to remove heavy buildups of wax and dirt. Fantastic cleaner & time saver. Rinse free.

**Highlight Stainless Steel Cleaner & Polish**  
Lemon scented deep cleaning foam that creates a deep lustrous shine that prolongs the life of the surface.

**Lemon Lite Polish/Cleaner**  
A user friendly "lite" product for dusting, cleaning, and polishing any surface but glass. Just one wipe - dusts, cleans, and shines.

**Lightning Plus II Electric Parts & Contact Cleaner**  
High purity safety solvent in a can, safe on plastics & circuit boards with a 30,000 dielectric volt safety strength. Quickly removes all soil, grease, residues from parts, motors, etc. Contains no CFC's.

**Natural Granite**  
Natural based product that cleans and shines stone surfaces! Formulated for use on polished and sealed granite, marble, limestone, Corian, and travertine. Use daily to clean, condition, and restore luster! Natures Blend

**Natures Blend Natural Solvent Degreaser**  
Use it to safely clean greases, tar, adhesives, and other grime from machines, tools, garbage cans, engines, and other equipment. NO HARMFUL materials and is safe and earth friendly.

**New Leather**  
Gently cleans and removes pore clogging dirt, body oils, non-leather cleaner residue, and atmospheric deposits from leathers delicate surface. It allows leather to breathe and retain its natural flexibility.

**Powerful Dry Air & Fabric Neutralizer**  
Our dry air neutralizer quickly freshens the air & textiles by destroying foul odors using the natural refreshing qualities of real plant extracts! Available in varying fragrances.

**Nu-Shine Stainless Polish**  
Oil based stainless steel polish that re-vitalizes and protects. Can also be used on aluminum, painted metal-wherever a high gloss is required.

**One Touch**  
Formulated with fast drying polymers, carnauba wax, special cleaners, and deep gloss producing protectants. Its labor saving formula quickly remove oxidation, atmospheric deposits, and bugs.

**Pene Green**  
Latest environmentally safe maintenance lubricant breakthrough by North Woods®. Biodegradable, user friendly, and safe are the hallmarks of this powerful rust and corrosion protectant. Nonflammable and no chlorinated solvents.

**Power Down**  
This is a breakthrough in environmentally safe contact and circuit board cleaners. Its fast drying, non-residue formula contains no chlorinated solvents, no CFC's or HCFC's, and has a 25,000 volt dielectric strength!

*We Create Superior Cleaning Products... Naturally*

**Rain Forest Air Freshener**  
Rain Forest Environmentally Safe Air Freshener quickly eliminates smoke and other odors from the air. Its natural botanical powers quickly neutralize malodors leaving a fragrant aroma.

**Refresh**  
Refresh ends problem odors! Uniquely formulated to spray out as an air soluble gel, it clings to surfaces to freshen air in a multitude of applications. Works when all else fails!

**Screen Clean Computer Screen Coating**  
Cleans any office equipment while preventing finger prints, smudges, grease marks, and paper residue. Great on all tv, computer, gambling & video game screens. Puts a safe, protective coating on the screen surface.

**Sheer Force**  
Sheer Force is an ultra-powerful foam spray that blasts away tough soils and grease off virtually any surface. Simply rinse with water, leaves no residue, and is biodegradable.

**Slick Dry Silicone Release & Protector**  
U.S.D.A. authorized and heat stable to 450 degrees. Great protective silicone coating. Used by many food handlers on equipment, ovens, cooking vessels, cutting blades, paper sorters, folders, packaging equipment, etc.

**Snow Wax**  
Aerosol Product deposits molecularly to the surface being treated allowing snow to be removed with less fuel and less wear on equipment. This formula protects all metal surfaces from rust and corrosion. It excels on lawn equipment too!

**Sparkle Foam Glass Cleaner & Polish**  
A very economical foam that cleans glass, mirrors, chrome & plastic surfaces. Cleans and protects surface from resoiling and deodorizes the room. 20 oz. can creates four gallons of cleaning foam.

**Strip-It Decal Paint & Gasket Remover**  
A fast ready-to-use aerosol product that removes paint, decals, gaskets, glue, plastic, etc., from any surface. Must be used carefully, but will definitely do the job.

**Sun Fresh Disinfectant Spray**  
This powerful air and surface disinfectant spray kills germs and malodors. Effective against a wide variety of microorganisms. Pleasant citrus bouquet fragrance. E.P.A. registered.

**TB Plus Spray**  
Tuberculocidal, fungicidal, bactericidal, staphylocidal, pseudomonacidal and viricidal. Used to terminate airborne or surface germs. Excellent for hospitals, nursing homes, schools, clinics, etc., anywhere you want a product that's extremely efficacious, and smells great.

**Tef-Lube**  
High density teflon penetrant that frees nuts and bolts right now. This product acts as millions of tiny ball bearings to prevent galling & seizing during dismantling and provides long lasting lubrication.

**Terminal Battery Cleaner & Protector**  
Cleans and protects batteries, while its color indicator assists in detecting leaks. It eliminates corrosion buildup while providing long lasting protection. Excellent for cleaning and protecting batteries to extend their useful life.

**Tuf Gel Invisible Teflon Lube**  
This gel provides superior lubrication from -30°F to 500°F. It's clean, clear liquid penetrates to the lubrication point, then forms into an antifriction gel even under extreme conditions.

**Zone Defense**  
Zone Defense can play a crucial role in helping facilities control and eliminate deadly viruses. It's an excellent total release disinfectant, antimicrobial agent and two-way deodorizer.

**Severe Service Grease**

# CAR WASH

Our North Woods® Car & Truck Wash products are like nothing else on the market. Instead of utilizing age old wash chemistry handed down for generations, we formulated these state of the art products to perform with the vehicle finishes and atmospheric soils encountered today. Using hyper concentrates to maximize already tight storage space – we combine fantastic economy with results never seen before. Don't just take our word for it though, try them and see for yourself why we're taking the vehicle washing industry by storm. Need something special you don't see here? Just ask and we'll manufacturer it just for you!

**Acidulate Wall Cleaner**  
Acidulate is a highly concentrated, self-foaming, acid-intensified cleaner formulated specifically for pressure spraying or foam cleaning of walls and equipment. Acidulate can be used to remove a wide range of soils on stainless steel, walls, floors, piping, and other hard-to-reach areas.

**Bug Buster**  
Bug Buster is a unique surfactant system that is near neutral in pH and will not affect paint or chrome. Its high foaming capability will cling to vertical surfaces, thereby maximizing contact time and reducing scrubbing and hand touch-up. Bug Buster's increased solvency removes the toughest bug residue, as well as bird residue, tree sap, oil and tar.

**Clear Shine**  
Clear Shine is a uniquely designed formulation to provide clear coat protection and rinse aid all in one product. Clear Shine combines ultimate clear coat enhancement, intense sheeting action, and a fast acting drying agent into one product for automatic and manual applications.

**First Step**  
First Step is designed for use as the first pass in a two-step acid/alkaline touch-less and hybrid carwash presoak application. This formulation is specifically designed to aid in the removal of road film and windshield mask from automotive finishes, glass and chrome.

**Foam Bath – Blue, Red, Yellow**  
Foam Bath is a colored, premium, high foaming detergent. It's formulated specifically for friction applications in self-serve washes. The dense foam has strong detergents, oils, and soil emulsifiers to break down soils and prevent re-deposition. Foam Bath has excellent lubrication so that brushes and pads will not scratch vehicles.

**Invisi Shield**  
Rain Shield is an extreme protective coating that is applied during the rinse cycle. Invisi Shield will cure as it dries to form a protective barrier that causes water to bead and fall off the vehicle. Insects and road films never chemically bond to the vehicle finish – making removal that much easier.

**Monster Truck**  
We know your trucks get dirty and grimy, almost monster like. That's why we created Monster Truck high foaming alkaline truck and engine degreaser. Foam diluted product onto vehicle through air generated system for unbelievable economy, brush if necessary, and rinse off. For a simpler system, run Monster Truck through your favorite pressure washer. Foam from the bottom up, high pressure rinse from the top down. Monster Truck leaves your vehicle sparkling clean and spot free.

**Penetrate**  
Penetrate is a biodegradable alkaline formulation for automatic washes with a single pass presoak. It also works great as the second pass in a two-step acid/alkaline touch-less and hybrid carwash presoak application. Penetrate utilizes new clean surface technology to penetrate road film, bugs, and soils on automobile and truck finishes, glass and chrome.

**Rainbow Shine – Blue, Red, Yellow**  
Rainbow Shine is an extremely dense foaming product that contains premium high gloss enhancers, plus a unique mixture of silicones and waxes. The combination of premium foam enhancers, brilliant colors, and fragrance – not only provides excellent protection for the vehicle, it also adds to the positive overall wash experience.

**Rough Rider**  
Rough Rider engine and tire cleaner is a highly dilutable formula designed to loosen the toughest residues encountered in vehicle cleaning. Gives outstanding results on surfaces such as tires, engines, wheels, suspension and rocker panels. This alkaline formulation visually removes caked on road grit and grime.

**Sheen**  
Sheen is a uniquely designed formulation that performs a dual role of clear coat protection and drying agent. Sheen combines intense sheeting action and a quick working drying agent into one product for automatic and manual applications.

## DEGREASERS & CLEANERS

**Aqua Force**  
The ULTIMATE product for automatic scrubbers! Fantastic in Automatic Scrubber or used manually, quickly takes off grease, oil, carbon, tough soil, and removes black tire marks. Very low foaming.

**Brute Force "13" Degreaser**  
Truly the most aggressive butyl cleaner on the market - twice the power of any competition. Degreases engines, concrete floors, machinery at a dilution of 2 oz. per gallon. Highly concentrated for economy.

**Buzz Saw Citrus Cleaner/Degreaser**  
Effective cleaning in industrial areas with no butyl cellosolve. Fortified with "Natural Citrus Solvents". Rapid emulsification of the toughest soils provides easy, fast removal of grease, oil, and grime. Versatile, great for hand operations, automatic scrubbers and pressure washers. Nonflammable, non-butyl, biodegradable.

**Grizzly Bear Butyl Degreaser**  
A truly versatile cleaner degreaser dilutable down to 60 to 1. Removes grease and industrial soils like never before. Can also be used in a pressure washer.

## VEHICLE WASHING

**Dazzle Car Wash**  
A high suds car and bus wash using only 1/2 oz. per gallon of water. Removes soil fast and rinses completely. A truly inexpensive car wash.

**Moonshine Wash & Wax**  
A fantastic wash & wax beyond comparison! One or two ounces per gallon of water, rinse off & see the water bead like fresh waxed finish.

**Trail Blazer Truck & Bus Wash**  
Floats away road film from aluminum and painted surfaces, even brightens aluminum surfaces without acid. High dilution!

## SPECIALTY CHEMICALS

**Armor Plate Protector**  
Revitalize leather, vinyl, rubber, fiberglass and plastics. Ultra violet repellents protect and renew surfaces. Non-toxic, non-corrosive.

**Asphalt Patch**  
This heavy duty professional grade product fills craters, cracks, potholes and fault lines in pavement. Withstands traffic and weather like no compound can!

**Drive Thru Grease & Oil Spot Remover**  
Removes the unsightly mess of oil and grease deposits from concrete drive thru areas. Biodegradable, and dilutes for economy. Use with the deluxe Drive Thru sprayer.

**Dumpster Breath-Now With Citronella**  
Scientifically designed to counteract and absorb malodors. Tiny carbonized pellets act like charcoal filters. Ultra-effective odor counteractant instantly vaporizes any malodor.

**Dumpster Clean**  
Super concentrated foam loaded with biodegradable surfactants and bio-active cultures. Ideal for cleaning and odor control on docks, dumpsters, trash bins and chutes.

**Liquid Eraser**  
Safely removes unwanted inks, spray paints, and marks commonly caused by 21st century vandals. Fresh lemon fragrance, nontoxic, biodegradable.

**MADD Concentrated Delimer**  
Foaming product that removes scale, lime, and metallic oxides from equipment. Inhibited for the protection of metals, even nickel safe. High shine formula contains detergents to remove organic films.

**Nu-Coil II Biodegradable Coil Cleaner**  
Nu-Coil II Instantly removes oxidation and corrosion from fins and coils on air conditioners. Its nonacid formula is guaranteed to save on utility bills!

**Scale Off Industrial Strength Lime Remover**  
Removes scale, lime, and metallic oxides from equipment. Inhibited for the protection of metals, even nickel safe. High shine formula contains 42% acid.

**Snow Wax**  
Super slippery coating reduces surface tension. Excellent rust protectant. Protects plows, blowers, and lawn equipment. Increases fuel economy and power.

**Trailer Brite**  
Aluminum cleaner/brightener makes all aluminum & magnesium look like new in seconds. Dilutable up to thirty parts with water.

## SPECIAL POWDER CHEMICALS

**DeVour 100 Body Fluid Absorbent**  
Absorbs blood, vomit, urine, feces, chemicals, and all other liquids. Absorbs 100 times its weight for safe-easy disposal. Excels for all hard surface clean up!

**Engulf Body Fluid Absorbent**  
Engulf is fantastic for clean up of pathogenic bacteria laden body fluids-especially when the spill is on carpet or porous surfaces! Counteracts malodors!

**Grease Gobbler**  
Grease Gobbler deep cleans floors with microbial digestive action. Ultra low cost in use! Self-proportioning Aqua Pack. No waste, no mess, no fuss!

**Hot Stuff Concentrate Cleaner**  
Fantastic heavy soil concrete floor cleaner! Powder activates upon soil contact, unleashing unyielding power. Clean fragrance. Terrific results at a low cost in use.

**Power Crystals**  
Synergistic blend of citrus peel extracts, and other ingredients designed to totally dissolve drain clogs. Citrus fragrance refreshes drains and surrounding areas.

## DISINFECTANT & SANITIZING CLEANERS

**Cool San**  
This E.P.A. Registered, chlorine based, sanitizer excels in food processing and food service applications. Due to its non-foaming characteristics, it's ideal for use in manual or mechanical processes. Fantastic efficacy.

**Hepa Kill**  
A new, exciting, high powered disinfectant cleaner that utilizes the latest developments in "quat" technology. Its highly effective formula kills Hepatitis B, HIV-1 virus, H1N1, as well as a broad spectrum of gram positive and gram negative organisms. Totally acceptable for all Bloodborne Pathogen Programs. Clean never smelled so good!

**HQD Neutral Disinfectant**  
The latest dual chain Quat Disinfectant formula that not only kills pathogenic bacteria, but is a fantastic cleaner. This virucidal product is effective against H1N1, HIV-1, MRSA, HBV, HCV, Kennel Cough, mold, mildew, fungus and much more! 12 month diluted spray bottle shelf life too!

**Mega Quat**  
Finally a "quat" product that is effective against Tuberculosis & H1N1! Its pleasant fragranced formula is effective against HIV-1 (AIDS), HBV, Staph, Norovirus, Salmonella, Pseudomonas, Canine Parvovirus, E-coli 157:H7, MRSA & more!

**Mega Wipes Cleaner/Disinfectant Wipes**  
This streak free disinfecting wipe is tailored for antibacterial cleaning of virtually any hard surface. Premoistened with a bleach-free, alcohol free and non-staining formula, these wipes are effective against H1N1, VISA, CA MRSA, MRSA, VRE, HIV-1 and many other forms of bacteria.

**San-I-Cide - 60 Second Sanitizer**  
An E.P.A. registered sanitizer for glassware or hand dishwashing. Excellent for kitchens and kitchen utensils. Very effective in meat rooms, nursing homes, etc., for killing bacteria. High dilution rate.

**NEW! Parvo Kill**  
This 5th generation quat boasts some of the highest efficacy in a neutral pH quat disinfectant we've ever seen. Extremely cost effective at 1/2 oz per gallon, and excels on tough pathogens - even in the animal world where many pathogens are showing signs of disinfectant resistance. Kills parvo at 2 oz./gallon.

**Sun Drop Disinfectant**  
Refreshing effervescent fragrance immediately removes unpleasant odors, and quickly kills bacteria and virus. Excellent for floors because of neutral pH performance. MRSA effective too.

## HAND CLEANERS

**D-Germ Hand Sanitizing Gel**  
Instant waterless hand sanitizing gel fortified with moisturizing Aloe, Vitamin E, and dimethicone to soften skin while killing 99.99% of germs and bacteria. This fantastic product is available in 4 oz., 18 oz. pump bottles, and dispenser cartridges too!

**Hands Up**  
A concentrated blend of mild detergents that removes heavy soil and leaves hands - soft and kind. Pleasant smell and can be used full strength or diluted half with water. Pearlescent pink color.

**Muscle Waterless Hand Cleaner**  
A patent pending... pure white hand cleaner that removes ink, grease and petroleum soils fast. Leaves skin soft and thoroughly clean. Non-toxic, biodegradable, and antibacterial.

**Power Play Hand Cleaner**  
Industrial strength hand cleaner formulated with PCMX. This unique formula provides deep cleansing for working hands. This antibacterial soap contains a degerming agent which fights bacteria and controls odors. Leaves clean fresh "after scent".

**Sani Clear Hand Sanitizer**  
Hand washing and hand sanitizing saves lives. When you can't be near a sink, and you're working in edible product areas, Sani Clear is the ideal product for sanitizing your hands. E-3 rated, it kills 99.99% of bacteria in 15 seconds. It dries quickly, leaves hands feeling refreshed, and will not dry out skin. Even with repeated use, Sani Clear keeps your skin soft and supple.

**Soapy Hands**  
Fantastically fragranced hand sanitizing wipes! Kills germs fast, while leaving skin soft and fresh smelling. Handy, portable, and a pleasure to use!

**Supreme Skin Creme**  
Supreme Skin Creme soothes, conditions, and moisturizes even the toughest skin problems and helps prevent dermatitis-which is the leading cause of absenteeism in the work place. It is fortified with Aloe Vera and twelve other conditioners and its refreshing fragrance is unsurpassed.

**Swipes**  
We've taken an innovative blend of organic solvents, biodegradable detergents, emollients, and married them to a special textile. They clean most inks, paints, tar, adhesives, resins, and other tough soils from working hands safely and effectively without water. Swipes stands for SUPER WIPES!

**Swipes XT**  
Same fantastic cleaning and moisturizing formula as our regular Swipes - but now infused into an extra tough purple towel. Swipes XT has a scrubbing bubbled surface with extra rigidity for extreme soils.

# Solvent Free Cleaning

**Nontoxic, Biodegradable,  
Nonflammable, Environmentally Safe,  
Replace Hazardous Cleaners**

## AQUA BLAST

## AQUA KLEEN

- Designed for use in spray cabinet and conveyor washers.
- Quickly removes grease, oils, foods, and carbonaceous soils.
- Replaces hazardous chemicals.
- Contains no HAPS.
- Does not contain any chelating ingredients, such as EDTA, caustics, or chlorinated solvents.
- Contains no silicone to interfere with new coatings or paint.
- Safe for use on aluminum and other non-ferrous metals.
- Will not foam in spray cabinets.
- Mild pH of 9.6 in concentrate.
- Nontoxic, biodegradable, & environmentally safe.

- Fantastic in heated parts washers, ultrasonic units, spray & wipe, and foaming applications.
- Quickly removes grease, oils, protein, and carbon.
- Contains no hazardous chemicals, and no HAPS.
- Replaces mineral spirits and chlorinated solvents.
- Contains corrosion protection, yet can be painted.
- Safe on skin, metals, plastics, and painted surfaces.
- Nontoxic, biodegradable & environmentally safe.
- Extreme money saver, prevents dermatitis, reduces waste stream, and Workman's Comp liability.

**SEEING IS BELIEVING!**

**CLEANS LIKE A SOLVENT  
WITHOUT THE HAZARDS!**

**SAFE ON PLANES, CARS, RV's,  
BOATS, CYCLES, GUNS, & MORE!**

**LOTS OF WAYS TO USE OUR AQUA PRODUCTS...**

**MANUALLY, IN HEATED WASHERS, AND IN  
ULTRASONICS, UNPARALLELED SAFETY,  
PERFORMANCE, & BIODEGRADABILITY!**

## AQUA SPORT HIGH PERFORMANCE SPRAY CLEANER

Removes bugs, grease, black streaks, tar, and exhaust residue from cars, boats, planes, RV's, siding, and so much more! Safe for marine life, paint, glass, and plastic! Just spray and wipe!

## AQUA SUPREME

Aqua Supreme is a technologically advanced aqueous cleaning solution especially formulated for tough soil. Primarily inks, wax, undesirable paints, and adhesives. It's synergistic formula removes these coatings like a solvent would—even when diluted with water. New Aqua Supreme delivers exceptional cleaning performance with uncompromised safety and material compatibility. It safely cleans ink and other organic soils in printing operations, and is extremely effective on grease. Aqua Supreme has been engineered to be used in multiple on and off-press cleaning applications, including blanket and roller washing, maintenance and rebuilding, parts washing & industrial cleaning. Great for mold cleaning.

Truly Unique System

FORMULA 1 LEMON  
HIGH VOLUME SYSTEM  
HEAVY-DUTY  
SUPER CONCENTRATE

Designed for the toughest jobs, instantly dissolves greasy and oily spills!

- Don't buy our water, use yours!
- Super economical
- Rapid emulsification of the toughest soils
- No SARA 313 Ingredients
- Non-flammable
- Non-butyl
- Biodegradable

**FILL BUCKETS & SCRUBBERS @ 35GPM!**

SMALL AREA FILL @ 11GPM!

SUPER CONCENTRATES

**BIG GREEN GC**  
HIGH VOLUME SYSTEM  
MEDIUM DUTY  
SUPER CONCENTRATE

Formulated for large spaces where shine and safety are imperatives!

- Super economical
- Biodegradable, environmentally safe
- Nontoxic, safe for food areas
- Increases shiny appearance
- Mild ph for floors & walls
- No VOC's or HAPS

**AVAILABLE IN SINGLE DRUM**

**OR MULTIPLE DRUM OPTIONS FOR LARGER END USERS**

**BIG GREEN SC**  
HIGH VOLUME SYSTEM  
HEAVY-DUTY  
SUPER CONCENTRATE

Super concentrated for large spaces where shine, safety, and cleaning are critical!

- Use your water, don't buy ours!
- Super economical, multiple dilutions
- Biodegradable, environmentally safe
- Nontoxic, safe for food areas
- Increases shiny appearance
- Mild ph for floors & walls
- No VOC's or HAPS

**AVAILABLE IN SINGLE TANK ONE DILUTION RATIO**

**OR TWO TANK DUAL DILUTION RATIOS FOR MAX FLEXIBILITY**

Water-Based Cleaners

**AQUA FORCE**  
INDUSTRIAL STRENGTH  
LIQUID

The **ULTIMATE** product for automatic scrubbers!

- Fantastic in Automatic Scrubber or used manual
- Quickly takes off grease, oil, carbon and tough soil
- Removes black tire marks
- Very low foaming
- Leaves no hazy film
- Phosphate, butyl, glycol ether, and caustic free!
- Built in rust inhibitors
- Non-flammable
- No SARA ingredients
- USDA Authorized A-4
- BIODEGRADABLE
- CONTAINS NO VOC's

**BUZZ SAW**  
HEAVY-DUTY  
CLEANER/DEGREASER

Designed for the tough jobs, instantly dissolves greasy and oily spills!

- Effective cleaning in industrial areas with no butyl cellosolve. Fortified with "Natural Citrus Solvent".
- Rapid emulsification of the toughest soils provides easy, efficient removal of grease, oil, soap scum and grime.
- Versatile, great for hand operations, automatic scrubbers and pressure washers. Works well in hot, cold, soft or hard water.
- Non-flammable
- Non-butyl
- Biodegradable

**GREEN HORNET**  
HEAVY-DUTY  
EMULSION DEGREASER

- Positive emulsion cleaner spontaneously liquifies greasy soil for fantastic cleaning
- Balanced builder blend with sustained, buffered alkalinity for excellent rinseability
- Cleans and large amounts of oil from floors
- Removes stubborn tire marks
- Very Concentrated for unparalleled economy
- Low foaming
- Biodegradable
- Built-in flash corrosion inhibitor
- No solvents, phosphates or SARA 313 chemicals
- USDA rating - A-1

Non-Hazardous  
Natural Solvents

**NATURES WAY II**  
COLD SOLVENT  
DEGREASER

Cold solvent cleaning with no chlorinated solvents!

- Optimum cleaning power with no filming and a residue free surface. The natural deodorizing properties of this "Natural Citrus Solvent" make it pleasant to use with no harsh solvent odors.
- Non-conductive formula for use on or around electrical motors. Ideal for immersion cleaning or dip tank applications. Also is non-corrosive to metals and biodegradable.
- Excellent for cleaning all areas where water cannot be used. High 145" flash.

**R.P.M.**  
WATER RINSEABLE  
DEGREASER

True solvent action with added detergents!

- Non-filming formula with added emulsifiers, completely rinseable. A unique blend of "Natural Citrus Solvent" and detergents, retains the cleaning properties of both water and solvent systems.
- Deodorizes as it cleans. Quickly destroys objectionable odors normally associated with greasy, oily soil.
- Quick and easy removal of cosmoline, tar, heavy grease, dirt and oil. Will not harm rubber hoses, plastic wire, coatings or painted surfaces. High 140" flash.

**TRAPPER**  
CITRUS SOLVENT  
CONCENTRATE

All natural degreaser, deodorizer extracted from the peel of oranges!

- Fast emulsification and penetration for easier soil removal. A true labor saving product - no more waiting for chemical activity. This product works on contact.
- Concentrated "Natural Citrus Solvent" for removing adhesives, tar, decals and heavy grease. Excellent for problem drains, deodorizes too!
- Non-corrosive, non-fuming, bio-degradable, contains no harsh caustics or acids.

Water-Based Cleaners

**AQUA KLEEN**  
HD FOAMING  
DEGREASER

Extremely versatile cleaner!

- Aqueous technology cleans any surface
- High foaming capabilities when used through manual or pneumatic foaming equipment
- Cleans & rinses freely
- Removes grease, carbon, bugs, black streaks, and soot effortlessly
- Safe on skin, paint, plastic, and glass
- Nontoxic, biodegradable, environmentally safe
- Built in rust & corrosion inhibitors
- Food safe cleaner, NSF approved
- No solvents, phosphates or SARA 31 chemicals
- USDA rating - A-1
- Nonflammable, non-corrosive, non-acid

**FIRE BALL**  
READY TO USE  
CLEANER/DEGREASER

Convenient package, powerful product and easy to use!

- Convenient packaging reduces confusion, no mixing necessary, just point and spray.
- Fortified with "Natural Citrus Solvent" derived from orange oil, this high foaming product is easy to use, safe, and destroys odors as you clean.
- Powerful foaming action makes cleaning vertical surfaces a snap. This excellent penetrating formulation quickly dissolves grease, oil, ink and resins without using butyl cellosolve.

**SPARKLING GREEN**

Sparkling Green outperforms hazardous spray cleaners, and is a pleasure to use!

- Nontoxic
- Biodegradable
- Dfe Certified
- No SARA 313 Ingredients
- Non-flammable
- Non-butyl
- Rapidly emulsifies tough soils

Fantastic Machine Cleaner!

### Ever Green™ Foam Soap

This luxury skin cleanser smells great, rinses freely, leaves hands feeling revitalized, and is truly a pleasure to use. All of this, and it's Green Seal™ certified (GS-41) too! A healthier indoor environment translates into many concrete, bottom line benefits. North Woods® is committed to creating a clean, healthy environment for you.

### Derma Foam Hand Sanitizer—Pump Bottle

North Woods® Derma Foam Hand Sanitizer is nonflammable so it's extra safe for nursing homes, schools, restaurants, grocery stores, and other high traffic public facilities. Its alcohol free formulation is safe to use - yet ultra effective! Kills 99.999% of germs and bacteria in 15 seconds. Perfect for any facility concerned about health & safety!

### Derma Foam Premium Antibacterial

This thick, foaming antibacterial skin cleanser cleans and smells so good - it's hard to believe it kills germs too! Fortified with 0.3% Triclosan, Aloe, glycerin and other moisturizing emollients for an unsurpassed hand washing experience. Provides a thorough hand cleansing while using almost 50% less liquid than traditional lotion cleansers.

### Derma Foam Ultra Shower

Ultra Shower's luxurious formulation deep cleans, softens, and conditions - leaving skin and hair feeling clean and refreshed. Contains nonirritating, mild ingredients and emollients, for continual use. Concentrated formula uses almost 50% less product than traditional lotion soaps and is more sanitary than conventional bar soaps. Fantastic fragrance!

### Derma Foam E-2 Food Handling Soap

This foaming state of the art E-2 skin cleanser cleans, refreshes, and kills germs too! Meets all state and federal requirements for a food processing skin cleansing agent. Finally, an E-2 soap that is efficacious, yet mild enough for repeated use!

### Derma Foam E-3 Hand Sanitizer

North Woods® Derma Foam E-3 Hand Sanitizer is safe to use on hands in all food contact areas. Color and fragrance free, it meets the desired criteria to attain this status. In addition - it's nonflammable, alcohol free formulation is safe to use - yet ultra effective! Kills 99.999% of germs and bacteria in 15 seconds. Perfect for any facility concerned about health & safety.

## Custom Dispensers

These customized skin care dispensers from North Woods® are great for promoting schools, hospitals, nursing homes, factories, retail stores and more!

## "The Team Of Perfection"

A PROBLEM FREE DISPENSER...  
THE BEST HAND CLEANER!

One keg of "The Right Stuff," goes further than two or three cans of paste!

### FACTORY STUFF

This industrial strength lotionized hand cleaner contains 0.5% PCMX, but is a powerful blend formula for the working hands. Quickly removes heavy soil with a rich lather. Leaves hands soft and is antibacterial for the healing process. Lime fragrance. USDA E-4

### GERM STUFF

Stops dermatitis and cross infections immediately. This high energy cleaner is USDA authorized E-2 as a hand sanitizer soap. Ideal for the food service area like kitchens and employee hand wash area. Controls pH skin balance.

### PRIME STUFF

Prime Stuff is formulated to remove the toughest of soils from your hands leaving your skin totally refreshed. This formulation has fine mesh pumice, citrus solvent extracts, and skin soothing emollients. Dispense a small amount into hands and work into knuckles. Rinse with water and wipe dry.

### POWER STUFF

The POWER HOUSE of the Right Stuff System, this cherry almond scented formula is loaded with fine Italian pumice and fortified with deep cleaning power that will tackle grease and petroleum type soils - right now! Leaves skin totally free of soils.

### SHOWER STUFF

Shower Stuff is a controlled pH formula for total washing of hair and body. This pleasant fragrance system of soil removal leaves all skin clean and replenished of body emollients. Controlled pH for skin compatibility.

### USA STUFF

Its synergistic formula combines the finest ingredients Mother Nature has to offer, along with state of the art skin cleansing components. Organic soy bean extracts, walnut shell scrubbers, and natural skin conditioning and softening agents - are just some of the highlights that make this product truly one of a kind.

## Supreme System

- Economical-Highly Concentrated
- Controlled Dispensing System Keeps Costs Down
- Free Dispensers
- Leak-Free

### SUPREME ANTISEPTIC

This proven antiseptic lotion skin cleanser gently lathers away soil, bacteria, and keeps cross contamination in check. Its emollient fortified, pH balanced formula gently cleans, conditions, and degerms like no other skin cleanser can. It's so mild and such a pleasure to use.

### SUPREME DERMA GEL HAND SANITIZER

A self-drying, instant skin sanitizer fortified with emollients to soften skin while killing 99.99% of germs and bacteria. This time proven winner is available in 4 oz., and 18 oz. pump bottles too!

### SUPREME LOTION

This phenomenal pearlized lotion skin cleanser gently floats away soil. Its pH balanced, emollient enriched lather refreshes and rejuvenates dry irritated skin. Supreme Lotion contains only the finest cosmetic grade skin conditioners.

### SUPREME SKIN CREME

Supreme Skin Creme soothes, conditions, and moisturizes even the toughest skin problems and helps prevent dermatitis - which is the leading cause of absenteeism in the work place. It is fortified with Aloe Vera and twelve other conditioners and its refreshing fragrance is unsurpassed.

### D-GERM HAND SANITIZING GEL

Instant waterless hand sanitizing gel fortified with moisturizing Aloe, Vitamin E, and dimethicone to soften skin while killing 99.99% of germs and bacteria. This fantastic product is available in 4 oz., 18 oz. pump bottles, and dispenser cartridges too!

- Natural Conditioners
- No Hazardous Ingredients

### Alive Liquid Bacteria

It's a revolutionary, non-toxic, non-acid, noncaustic, biological drain treatment. It's specially formulated with 440 billion bacterial colonies per gallon to work fast to breakup and digest organic waste. It's excellent in drain lines, wet wells, lift stations, and sumps at digesting a wide variety of solids—while simultaneously destroying any malodors and existing hydrogen sulfide. Reduces BOD too.

### Barnyard Biogical

Is a biological treatment that utilizes powerful, specifically isolated, digestive bacteria and special synergistic nutrients to rapidly transform lagoons. It contains facultative bacteria that rapidly consume solids, odors, and ammonia. Effective growth in broad pH and temperature ranges. Simple to use and all natural. Reduces pumping, improves fertilizer value, reduces crust, improves stratifications - reducing costs and lagoon issues immensely.

### Bio Block

The North Woods® 30# Bio Block is designed for heavy duty conditions. It minimizes hydrogen sulfides and sludge build up, thereby reducing odors, fecal matters, and grease problems. North Woods® Bio Block dissolves gradually over 90 days (dependent upon flow rate) allowing continuous waste treatment.

### Bio-Pack

North Woods® BioPack contains a specially formulated range of adapted high performance microorganisms developed for use in the biological wastewater treatment of greases, fats and oils. As well as microorganisms, North Woods® BioPack contains surface tension depressants and penetrants which loosen and liquefy heavy grease deposits, thereby assisting in their biodegradation.

### Grease Buster Brown Cube

The North Woods® Grease Buster Brown Cube is an advanced biological cube designed for lift station and wet well maintenance. It's specially formulated with biological stimulants, nutrients, and special time released components - designed to eradicate grease build up and organic sludge from high flow systems.

### Grease Buster Green Cube

The North Woods® Grease Buster Green Cube was designed as a super charged booster - to be used exclusively in conjunction with Alive Liquid Bacteria. Its highly supportive formulation contains builders, nutrients, and stimulants designed specifically to support Alive's digestive action. Together they form a synergistic combination to keep grease traps sparkling clean and odor free.

### Grease Buster Pink Cube

The North Woods® Grease Buster Pink Cube is an advanced biological cube designed for lift station and wet well maintenance. It's formulated with special grease digesting bacterial strains, complex nutrients, and colony promoting stimulants - designed to eradicate grease and organic sludge build up from virtually any system.

### Jet Wash

North Woods® Jet Wash is an improved biological product, specially formulated and packaged to maximize performance in jet cleaning trucks. Jet Wash contains specialty penetrants and surfactants which loosen and liquefy heavy grease deposits, thereby assisting in their biodegradation. Jet Wash liquefies grease on contact and the bacteria continue working downstream to dramatically improve jetting.

### Molecule Plus 100 Odor Counteractant

Extreme strength odor counteractant. Its nontoxic, 100% active, biodegradable formulation - instantly destroys even the worst of malodors! Plus, it contains no formaldehyde or other olfactory desensitizers. It can be misted directly onto surface, diluted with water for fogging large areas, or added directly to wet or dry odiferous basins. When used as an additive to waste water - it will not cause foaming or negatively impact bacteria flora.

### Natures Way II

A truly unique, odor counteracting solvent - that features controlled evaporation and the unusual ability to float on top of stagnant water sealing in any malodors. It excels at cleaning the side walls and pumps in lift stations, while simultaneously keeping floats free of grease and solids to ensure peak performance. High flash point, does not weaken with water, and even has a dielectric strength.

### Perfect Pond Algae & Odor Eliminator

All natural, easy to use toss-in pouches with coloring to enhance the appearance of ponds, lakes, and fountains. It lowers the pH and is safe for humans, fowl, pets, and fish. Also reduces sludge and inhibits photosynthesis to discourage plant growth. Reduces odors and ammonia. Will not stain humans, fowl, pets or fish.

### Soy Lift Floating Degreaser

This natural lift station degreaser contains soy extracts & citrus solvents to give it fantastic grease saponification properties. Soy Lift floats on the surface of the effluent. It cleans and degreases the side walls of lift stations as water levels rise and fall. Soy Lift will not harm the natural bacteria action within the system, it actually helps increase digestion. It destroys odors leaving a fresh fragrance behind. Soy Lift is 100% biodegradable.

SKIN CARE

# Clean, Treat, & Sanitize Organically

**Herd Health**

**Prevent Decay**

**Carcass Wash**

**Extend Life**

**Log Reduction**

**Sanitation**

*Ozone sanitation is organic, safer & more effective!*

Ozone is a safe, EPA Registered sanitizer, FDA approved food additive, and is Organic Certified by the USDA. It is unparalleled in antimicrobial efficacy and positive potential health aspects.

Our on demand Ozo Kleen Systems are the World's leading natural sanitation solution. Employee training & certification, proper protocols & procedures, service reporting, and full system design assistance guarantee performance and optimize user experience.

3,000 times stronger than chlorine

Cold water is used, saving energy

Ozone foam sticks to vertical surfaces

**It's The Healthy Choice!**

Ozo Kleen 24

Ozo Kleen 48

MGS12 Mobile Gassing System

## Ozo Kleen Foam Cleaning

North Woods® and McClain's Ozo Kleen equipment replaces hazardous chemistry and sanitizers with a rich ozone foam. By super infusing ordinary tap water with high concentrations of ozone, normally hard to deal with soils and biofilms are quickly melted away safely and effectively. Ozonated foam, the consistency of shaving cream, bombards these tough deposits with billions of cleaning bubbles breaking them down on a molecular level to be easily rinsed away. Stainless steel, plastic, metal, and even glass are left sparkling clean and residue free. Even odors are completely eliminated. Due to the powerful oxidizing effect of ozone, 3,000 times stronger than chlorine, chemical use is greatly reduced. Energy savings are amazing, because we use cold water for cleaning.

## Organic Sanitizing

7-10 seconds sanitizing

Our aqueous ozone is EPA Registered as an organic sanitizer. It sanitizes a clean surface in as little as 10 seconds, and with no corrosivity associated with chemical sanitizers. You can even drink the water. It eliminates germs, yeast, mold, mildew, pathogenic bacteria and odors before returning back to oxygen and water. Due to the lysing effect of ozone upon living cellular membranes, pathogens cannot develop an immunity to it. Washing produce with aqueous ozone water eliminates the microbes that cause decay, thereby greatly extending the shelf life and desirability of fruits and vegetables. It's extremely beneficial for watering golf courses, hop yards, mushrooms, and other plant life that is susceptible to fungus damage. Due to the high level of oxygenation, plants thrive with greatly reduced water consumption.

**WHEN COST SAVINGS ARE CRITICAL, SANITATION IS CRUCIAL, AND BEING GREEN IS ESSENTIAL ~ CHOOSE OZO KLEEN**

## It's the Healthy Choice

- Approved as food additive
- Extends shelf life
- Improves food quality
- Reduces microorganisms
- Improves drinking water
- Log reduction on ground meat
- Eliminates mold & fungus
- Scientifically proven

THE STAKES HAVE NEVER BEEN HIGHER

## FOODBORNE ILLNESS -An American Epidemic

1 in 6 will get ill, 128,000 hospitalized, 3,000 will die this year due to food related illness. The economic & moral impact is devastating... we CAN help!

Consulting • Protocol Development • Written SSOP's  
System Training • ATP Efficacy Verification • Software Training  
Monitoring • Reporting • 24/7 Assistance

### ALKALINE CIP CLEANER

Formulated to handle tough food soils using a clean in place process, while rinsing cleanly and freely. Surfaces are left sparkling clean, unlike other CIP cleaners that leave white chalky films.

### HD FOAM CLEANER

Our HD Foam Cleaner excels at breaking down animal fats, cheeses, grease, dairy by products, and even milkstone. Unparalleled cleaning is attained running it through our Ozo Kleen foaming equipment.

### POWER FOAM

Super concentrated food process cleaner works as well on vegetable based soils as it does on animal fats. High foaming, and extremely economical. Biodegradable, noncorrosive, and aluminum safe.

### BREAK UP HOOD CLEANER

This high potency foam cleaner clings to vertical surfaces in hoods releasing grease and oily deposits for rapid emulsification. The addition of ozone super charges the cleaning power of the foam.

### LOW pH FOAM CLEANER

Built to handle tough mineral, film, and scale deposits - this formula excels at cleaning stainless steel equipment. Can be used manually or through foaming equipment for rapid soil removal and free rinsing.

### SMOKEHOUSE CLEANER

Smokehouses can be nasty - not any more! Our smokehouse cleaner uses a special powerhouse blend that breaks down tough baked on grease and carbon deposits! Used with our Ozo Kleen System - soils melt like butter!

### GP FOAM CLEANER

Biodegradable formula is hard water tolerant and free rinsing. It excels at cleaning oils, fats, and grease from utensils, machinery, and floors. It can be used manually, used in a pressure washer, or through Ozo Kleen System.

### PASSIVATION ACID

All stainless steel should be rejuvenated on a regular basis. It removes mild scratches, closes pores, and restores ease of cleaning. Our mild, special blend of acids will make your stainless look like new again.

### USA CHOICE

This HD meatroom degreaser produces a thick foam that quickly penetrates and emulsifies grease, animal fats, blood, and oils associated with meat and food processing operations. Excels manually or through foam equipment. A-1 rated cleaner rinses freely.

### HOSE END FOAM GUN

For smaller areas use this foam gun to wash, rinse and sanitize appropriate surfaces.

### DISPENSER STATION

Designed specifically for meatroom and prep areas. Clean with a foaming cleaner / degreaser, followed by a potable water rinse and sanitizer.

#### UNIT INCLUDES:

- Special Foam Wand applicator, Dispenses a thick, rich foam that clings to vertical surfaces.
- Rinse and sanitize surfaces to control bacterial growth.

### FOR THREE-COMPARTMENT SINK

A wall mounted proportioner / dispenser designed to fill three compartment sinks, automatically proportions and dispenses product for both the wash and sanitize compartments.

Let us fill your Scrubber Fast, with our new Quick Fill. Save Money!

To Organically Clean & Sanitize Use The Products Above With Our Ozo Kleen System!

## Cleaning And Sanitizing Utensils

### ALL NATURAL DISH CONCENTRATED NATURAL DISHWASH

- Use with SINK STATION in wash compartment of sink.
- Quickly removes baked on food, grease and food stains from dishes, equipment, utensils, pots, and pans.

### COOL SAN CONCENTRATED CHLORINE SANITIZER

- Use manually, mechanically, or through auto inject equipment for sanitizing utensils, equipment, and wares.
- Highly effective sanitizer for all food operations.
- Nonfoaming formula won't foul equipment.
- No rinsing required.

### BLOSSOM PINK LOTIONIZED DISHWASH

- Use with SINK STATION in wash compartment of sink.
- Quickly removes baked on food, grease, and food stains from dishes, equipment, utensils, pots, and pans.

### SAN-I-CIDE 60 SECOND SANITIZER

- Use with DISPENSING STATION or FOAM GUN for sanitizing walls, floors, and equipment.
- Use with SINK STATION for sanitizing utensils in three-compartment sink.
- No-rinse sanitizer sanitizes all surfaces quickly and easily.

## Additional Products

### Alive Liquid Bacteria

Non-toxic, non-acid, non-caustic, biological drain treatment. 110 billion bacterial colonies breakup and digest organic waste while destroying any malodors. Great for urinals!

### All Natural Glass

Biodegradable, nontoxic, petroleum free, and an absolute pleasure to use. No harsh chemicals are used in its creation - it's all natural! Cleans glass, mirrors, and any other high gloss surface that is water safe.

### Blue Ox Odor Counteractant Cleaner

A pleasantly scented, deep cleaning concentrate cleaner that claims the best on the market today. SPACE AGE cleaning at only 5¢ per gallon cost in dilution. Can be used on any surface not harmed by water.

### Brilliance Film Remover

Ready-to-use formulation that removes glass oxidation, grease, hairspray, nicotine film and hydroscopic pollutants. Leaves all glass and mirrored surfaces brilliant.

### Buzz Saw Natural Citrus Degreaser

The superior performance of this cleaner/degreaser is provided by a synergistic mixture of Natural Citrus Solvents and a totally unique surfactant system. Emulsifies and holds heavy grease, oil and animal fats into solution for easy and quick removal.

### Fire Ball Foam Degreaser

Natural citrus solvent that sprays out as a foam for economy, and works like no product on the market. Excellent grease remover and can be used on any surface not harmed by water. Also stocked in 30 and 55 gallon drums.

### Grease Off Grill Cleaner

A truly fast remover of grease and baked on carbons for grills, ovens and french fryers. Cleans deep and thoroughly to keep your equipment like new.

### Highlight Stainless Steel Cleaner & Polish

Lemon scented deep cleaning foam that creates a deep lustrous shine that prolongs the life of the surface.

### Icy Clean

Rapid penetrating formula deep cleans heavily soiled freezers quickly and effectively down to -45°F. Can be used with mop and bucket, or in an auto scrubber. It's nonflammable, alcohol free, low odor, and can be diluted for greater economy.

### Lift Off Foaming Oven Cleaner

A ready-to-use foam that clings to vertical surfaces, hot or cold & removes the most stubborn grease & carbon deposits from cooking & baking. Three times faster & more efficient than leading aerosols.

### Sani Clear

Hand washing and hand sanitizing saves lives. When you can't be near a sink, and you're working in edible product areas, Sani Clear is the ideal product for sanitizing your hands. E-3 rated, it kills 99.99% of bacteria in 15 seconds. It dries quickly, leaves hands feeling refreshed, and will not dry out skin. Even with repeated use, Sani Clear keeps your skin soft and supple.

### Sani Spray

This ready to spray EPA registered sanitizer is effective against Salmonella, E-coli, Listeria and much more. Plus, it's safe for all food contact surfaces! Sanitizes without the guess work!

### Slick Silicone Release & Protector

U.S.D.A. authorized and heat stable to 450 degrees. Great protective silicone coating. Used by many food handlers on equipment, ovens, cooking vessels, cutting blades, paper sorters, folders, packaging equipment, etc.

### Traffic Lane

Designed to increase traction and help prevent slip falls in moist food processing areas, Traffic Lane's unique blend of quaternary ammonium, surfactant, and prilled urea is safe to use in all food processing plants.

# RESTROOM HEALTH CARE PRODUCTS & PROCEDURES

THE MOST HIGHLY JUDGED AREA OF YOUR FACILITY

## AIRCARE

As a person enters a restroom, their first impression of cleanliness is based on smell. North Woods® chemicals kill odor causing bacteria and leave a lingering fresh smell.

**Aero Fresh & Clean Aire Dispensers**  
Automated odor counteractant systems.

### Sun Fresh/TB Plus Spray

Hospital Strength Disinfectant / Deodorizer -H1N1 Effective.

- There is no better way to control disease and odor causing germs while leaving the environment smelling terrific!
- Totally eliminates bacteria in the air and on surfaces that cause disease and malodors.
- Effective against Staph, Salmonella, Pseudomonas, fungi, mold and mildew.
- Pleasant scent – lasts for hours.
- Easy to use, convenient aerosol.

## HAND CARE

Because everyone washes their hands before leaving the restroom, don't overlook this highly important procedure for proper hygiene. Clean, efficient dispensers are as important as the superior quality hand soap.

### Derma Foam & Supreme Soap Systems

Gentle Lather Lotion Hand Cleaner

- Cleanses skin while removing soil and then rinses completely leaving hands feeling fresh and clean.
- Exclusive emollient blend of cosmetic grade neutral detergents leaves skin soft
- Ideal for entire body including hair
- pH balanced formula is perfect for use at the sink or in the shower

## SURFACES AND DRAINS

A difficult area to clean, the restroom never escapes notice. North Woods® labor saving, E.P.A. approved chemicals easily remove all soils promptly and kill disease causing virus and bacteria on contact.

### All Natural, Brilliance, Ever Green™ Glass Cleaner

Glass and Window Cleaner

- Leaves all hard surfaces sparkling clean.
- Versatile, quick drying formula cuts through grease, smoke film and lipstick easily.
- Never streaks or leaves a film.
- Available in liquid or convenient aerosol.

### Sunbath/Mega Quat

Disinfectant/Deodorant/Cleaner

- Lots of perfume in this concentrated formula really attacks those difficult odor problems.
- One easy procedure cleans and removes odors at their source... odor causing bacteria.
- Also an effective germicide against disease causing germs.
- Thick formulation allows spraying on vertical surfaces to disinfect and never leave a dulling film.

### Deep Clean

Liquid Creme Cleanser

- Fortified with mild abrasive to penetrate, deep scour, brighten and polish.
- Protects against odor causing bacteria while removing rust, soap film, water minerals, stains and grime
- Thick formula – clings to vertical surfaces.
- Safe to use on porcelain, copper, stainless steel, chrome, plastic, formica, rubber, and fiberglass.

### Liquid Eraser

Graffiti Remover

- This powerful blend of penetrating surfactants and solvent removes graffiti made with crayons, spray paint, lipstick, felt tip pens, pencils, etc.
- Works fast and easy while never leaving a residue on surface.
- Convenient, easy to use, very safe.

### Alive Bacteria

Liquid Alive Bacteria for Drain Maintenance and Odor Control.

- Billions of cultured bacteria, enzymes, detergents and deodorants that devour grease, hair, paper and organic waste, safely using no acids, caustics or solvents.
- Keeps drains and pipes free-flowing when used on a routine basis.
- Eliminates drain odor problems.

## TOILETS AND URINALS

Toilets and urinals represent the origin of disease and odor causing bacteria. The thought of cleaning this area will be fun and rewarding, using the right product that kills the germs and leaves a pleasant fragrance.

### Blue Spruce Hospital Type Bowl Cleaner

- Designed for daily cleaning, this 9% HCL formulation quickly removes light buildups of rust, lime, scale, stains, hard water deposits and uric acid salts.
- Pleasant to use because of the lower acid level
- Cleans, disinfects, deodorizes in one easy step.
- Eliminates odor and disease causing bacteria.
- Pleasant fragrance remains after each use.
- Inhibited to protect all fixtures too!

### Shower Foam Bowl, Porcelain, and Tile Cleaner

- Versatile safe acid product that's safe to use on all restroom surfaces. Will not attack chrome, carpeting, nylon or porcelain.
- Cleans, descales and disinfects in one easy step, deodorizes too!
- Leaves all surfaces sparkling clean and fresh smelling.

### Sun Blocks/Sun Bowl Enzymatic Products

Sun Blocks & Sun Bowl's natural formula is completely safe, biodegradable, and refreshing! Their ultra safe, ultra effective formulation ensure that your urinals & toilets don't smell like urinals! No Para, no harsh chemicals and no carcinogens.

### Urine Catchers

The most sanitary urinal device ever to be developed! Urine Catchers keep urine, and it's unsightly mess, inside urinals to be flushed and cleansed away. No more splashing or unsightly residue to be unknowingly tracked through your building. This prevents build up and noxious odors from ever occurring! Urine Catchers, not only have a great fragrance, they're antibacterial too!

## FLOORS AND WALLS

These areas are the most visible surfaces in a restroom. Your total hygiene will be judged by their appearance. Let North Woods® chemicals leave a sparkling clean surface with products your employees will use.

### Sun Drop/HQD/Hepa Kill

Disinfectant/Cleaner/Deodorant/Fungicide-H1N1 Effective

- Concentrated for use on floors, walls, woodwork, etc.
- Cuts through dirt and grime while disinfecting and sanitizing
- Very effective against disease and odor causing germs such as staph, salmonella, pseudomonas. Also knocks out athlete's foot fungi
- Citrus fresh, clean smell says "completely clean"

Let Us Train Your Staff On Proper Bathroom Cleaning Procedures

North Woods®

Guaranteed Chemicals Since 1964

North Woods®

Guaranteed Chemicals Since 1964

Being a family based Company—nothing is more important than the health, welfare, and ultimate well being of our children. Clean, germ free, and aesthetically appealing schools and daycares not only increase morale—studies show test scores and learning dramatically increases too. Clean, healthy schools reduce absenteeism among students and staff. School maintenance staffs are being asked to do more with less. We can show you how using the state of the art earth friendly products and procedures found here.

**Alive Liquid Bacteria**

Non-toxic, non-acid, non-caustic, biological drain treatment. 110 billion bacterial colonies breakup and digest organic waste while destroying any malodors. Great for urinals!

**Blue Ox Odor Counteractant Cleaner**

A pleasantly scented, deep cleaning concentrate cleaner that claims the best on the market today. SPACE AGE cleaning at only 5¢ per gallon cost in dilution. Can be used on any surface not harmed by water. Truly the utopia in cleaners. Blue, high viscosity.

**Blue Spruce Clinging Bowl Cleaner**

Wintergreen thick blue 9% acid bowl & urinal cleaner with six inhibitors to protect skin & clothes while vanishing stains, rust, soil & organic deposits in toilets, urinals, sinks, etc. E.P.A. registered disinfectant.

**Brilliance Film Remover**

Ready-to-use formulation that removes glass oxidation, grease, hairspray, nicotine film and hydroscopic pollutants. Leaves all glass and mirrored surfaces brilliant.

**Citra Suds Laundry Detergent**

A unique blend of ionic detergents to remove soil from laundry ware. Built in softeners with lemon extract for a clean look and fresh smell.

**D-Germ Hand Sanitizing Gel**

Instant waterless hand sanitizing gel fortified with moisturizing Aloe, Vitamin E, and dimethicone to soften skin while killing 99.99% of germs and bacteria. This fantastic product is available in 4 oz., 18 oz. pump bottles, and dispenser cartridges too!

**Deep Clean Crème Cleanser**

A mint scented crème cleanser containing fine jewelers rouge for stubborn stains in bathrooms & sink fixtures that won't scratch surface. Polishes too.

**Drain Free Non-Acid Drain Opener**

Acid free blend of ingredients make it safer than sulfuric acids, yet highly effective in opening clogged drains. Saponifies grease, is odor free, and will not harm plumbing.

**Dumpster Breath—Now With Citronella**

Scientifically designed to counteract and absorb malodors. Tiny carbonized pellets act like charcoal filters. Ultra-effective odor counteractant instantly vaporizes any malodor.

**Earth Essence Odor Elimination System**

Earth Essence is our latest eco safe product. Its super concentrated formula eliminates odors leaving a naturally fresh fragrance behind for less than a penny a spray. It's a metered, proven money saver, that makes aerosols a thing of the past! Biodegradable, no VOC's, naturally fragranced, and safe on all surfaces not harmed by water.

**Engulf Body Fluid Absorbent**

Engulf is fantastic for clean up of pathogenic bacteria laden body fluids—especially when the spill is on carpet or porous surfaces! Counteracts malodors and makes disposal simple!

**Fiber Fresh Carpet & Upholstery Cleaner**

This is a powerful, dry spray foam that penetrates, cleans, deodorizes, and digests organic deposits and dirt trapped in carpets and upholstery. Simply spray foam onto intended surface, allow foam to “break,” and wipe with a towel. Finally, carpet and upholstery cleaning made easy!

**Fire Ball Foam Degreaser**

Natural citrus solvent that sprays out as a foam for economy, and works like no product on the market. Excellent grease remover and can be used on any surface not harmed by water. Also stocked in 30 and 55 gallon drums.

**Germicide Foaming Disinfectant Cleaner**

Thick cleaning foam actually lifts dirt & germs from surfaces & leaves the surface clean, bacteria free & kills mold & mildew. E.P.A. & U.S.D.A. registered. Great fragrance.

**HQD Neutral Disinfectant**

The latest dual chain Quat Disinfectant formula that not only kills pathogenic bacteria, but is a fantastic cleaner. This virucidal product is effective against H1N1, HIV-1, MRSA, HBV, HCV, and much more! 12 month diluted spray bottle shelf life too!

**Liquid Eraser**

Safely removes unwanted inks, spray paints, and marks commonly caused by 21st century vandals. Fresh lemon fragrance, nontoxic, biodegradable.

**Mega Quat**

This product is the latest breakthrough in disinfectant technology that combines the kill of much harsher disinfectants with the user friendly benefits of “quats”. The best of both worlds comes together!

**Mega Wipes Cleaner/Disinfectant Wipes**

This streak free disinfecting wipe is tailored for antibacterial cleaning of virtually any hard surface. Premoistened with a bleach-free, alcohol free and non-staining formula, these wipes are effective against H1N1, VISA, CA MRSA, MRSA, VRE, HIV-1 and many other forms of bacteria.

**Molecule Plus 100 Odor Counteractant**

Extreme strength odor counteractant instantly destroys even the worst of malodors! Its nontoxic, biodegradable formulation excels at direct contact odor elimination on odiferous sources. Also fantastic as a carpet shampoo, laundry, or auto scrubber additive!

**Molecule Plus 24 Instant Action Granules**

**Molecule Plus 40 Instant Action Stick Up**

**Molecule Plus Dry Odor Counteractant**

**Natures Blend Natural Solvent Degreaser**

Use it to safely clean greases, tar, adhesives, and other grime from machines, tools, garbage cans, engines, and other equipment. NO HARMFUL materials and is safe and earth friendly.

**Oxy-Wash and Oxy-Wash Blue 2**

This powerfully unique, all in one, laundry detergent cleans and brightens your wash like never before. Formulated with advanced optical brighteners, color safe oxygen bleach, and is totally biodegradable.

**Sani Spray**

This ready to spray EPA registered sanitizer is effective against Salmonella, E-coli, Listeria and much more. Plus, it's safe for all food contact surfaces! Sanitizes without the guess work!

**Shower Foam Disinfectant & Cleaner**

Penetrates & removes stubborn body oils, filth & hard water deposits on showers, bath tubs, sinks, fiberglass stalls & drinking fountains. Great for tile and grout too!

**Skidew Mold Remover**

A truly fantastic product for removing the black or grey stains of mold & mildew. Simply spray on surface — let dry — and it's gone. Truly top shelf performance.

**Soapy Hands**

Is formulated with an emollient to help moisturize skin. This effective formula cleans hands while killing bacteria. Towels are made from a non-abrasive fabric that is gentle to skin.

State of the art, earth friendly products and procedures, will also keep up moral and work efficiency at the office too!

**Spot Gone Rug & Upholstery**

A quality ready-to-use product that immediately attacks water & oil spots on all carpets & upholstery. Spray on, agitate & wipe off all soils.

**Sunbath Non-Acid Cleaner**

Immediately cleans and disinfects any inanimate surface and kills Herpes Simplex I & II and the HIV (aids) virus. Terrific fragrance lasts for hours. Thickened formula goes twice as far. E.P.A. registered disinfectant.

**Sun Drop Disinfectant**

Refreshing effervescent fragrance immediately removes unpleasant odors, and quickly kills bacteria and virus. Excellent for floors because of neutral pH performance. MRSA effective too.

**Sun Fresh Disinfectant Spray**

This powerful air and surface disinfectant spray kills germs and malodors. Effective against a wide variety of microorganisms. Pleasant citrus bouquet fragrance. E.P.A. Registered.

**Trapper - Natural Organic Solvent**

A 100% all natural blend of organic compounds that dissolves grease, slime, and even petroleum waste from sewers, grease traps and floor drains.

**FACT: More people die every year from what they contract at a hospital than what they came in to be treated for originally.**

That has to change. The products, tools, and procedures are available to change that. Budget excuses are absolutely no reason to accept this status quo. Not when this area can be strategically addressed with the products and procedures found here that can reverse that trend – and reduce overall expense. Change can be good, and in this case, necessary.

**Mega-Cide Disinfectant/Deodorizer**

Convenient ready-to-use product that completely and effectively disinfects and deodorizes the air and surfaces. Virucidal against MRSA, Herpes Simplex I & II and the HIV (aids) virus. Suitable for use in hospitals, clinics, nursing homes, schools; anywhere!

**Mega Quat**

**BARE BONES FLOOR STRIPPER**  
This very aggressive, fast liquefying, floor stripper easily removes old seal and finishes even without a floor scrubber. Requires no rinsing when used according to instructions. Has fantastic power and removes floor finish buildup.

**BEDROCK FLOOR SEALER**  
This Water Based Concrete & Terrazzo Floor Sealer is a Revolutionary Combination of Urethane, plus three Polymers making it an exceptionally durable and abrasion resistant floor treatment. This sealer can be effortlessly applied with a rayon or cotton mop on old or new concrete, quarry tile, terrazzo, slate and marble.

**BLUE OX FLOOR CLEANER**  
The Ultimate Odor Counteractant Cleaner. (See page 29 for details)

**EVER GREEN™ STRIPPER**  
This very aggressive, fast liquefying, floor stripper easily removes old seal and finishes even without a floor scrubber. Requires no rinsing when used according to instructions. Has fantastic power and removes floor finish buildup.

**POWER SCRUB**  
Power Scrubs great fragranced, proprietary, low foaming formulation quickly deep cleans floors removing the very finest layer of finish, dirt, impurities, and floor finish destroying particles. It conditions and prepares the remaining finish surface to accept the new layer of finish. NORTH WOODS® FINISH!

**TITANIUM ULTRA DURABLE FLOOR FINISH**  
Every once in awhile, something truly unique comes along. This is certainly the case with our latest innovation in floor finish. Titanium is the ultimate in high gloss, extreme durability, extra long wear, and ultra low maintenance. This makes it the ideal choice for facilities who want great looking floors—but don't have the time to get them through traditional means. With a name like Titanium—you know it has to be good!

**From Start To Finish— We'll Show You How**

**PRODUCTS + TRAINING + HI TECH = BEAUTIFUL FLOORS!**

**ALL THE FLOOR FINISHES ON THIS PAGE ARE EXCELLENT ON RESILIENT TILE, TERRAZZO, LINOLEUM, RUBBER COMPOSITION, ASPHALT TILE, VINYL AND VINYL COMPOSITE TILE**

**Bare Bones & Ever Green Stripper will cut your stripping time in half... and require no rinsing. HUGE MONEY SAVER!**

**The Wet Look Utopia! SOLAR SYSTEM**

**INFINITE SOLAR GLOSS SOLAR ACTIVE FLOOR FINISH**  
Infinite Solar Gloss is an excellent foundation for the Solar System Floor Care Line. It has terrific gloss, is black mark resistant, recoats easily, dries fast between coats, and is simply the marvel of 21st century new floor care coatings. Fantastic gloss!

**SOLAR BURST SOLAR ACTIVE HIGH SPEED FLOOR RECONDITIONER**  
Solar Burst cleans & reconditions your Solar Gloss floor quickly and completely. It repairs scuffs, scratches and imperfections, and with ultra high speed equipment makes the floor shine better than when first finished. Coverage up to 20,000 sq. ft. per gallon.

**SOLAR DIAMOND SOLAR ACTIVE FLOOR FINISH**  
Revolutionary glowing white color lets you know where you've applied it! Yet turns crystal clear – when dry! This product gets its name from the hardest surface on earth – diamonds. It yields unbelievable gloss with diamond like durability! 2 to 3 coats equal 5 to 6 coats of normal finish.

**SOLAR SHINE SOLAR ACTIVE LOW SPEED FLOOR MAINTAINER**  
Solar Shine is a thermoplastic spray buff that brings back the floor finish with low speed equipment and a buffing pad. Easily removes scratches, scuffs and minor abrasions. Stops powdering and never creates any buildup. Creates high gloss!

PET CARE

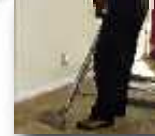

CARPET CARE PRODUCTS FOR WHEN OUR LITTLE FRIENDS HAVE ACCIDENTS

SMALL CARPET ACCIDENTS

LARGE CARPET ACCIDENTS

PET MASTER – WE LOVE PETS!

We know your family member requires TLC, that's why we formulated Pet Master! Pet Master is a natural-based, high power cleaner and deodorizer developed to digest and remove pet stains. It's a unique combination of enzymes, safe bacteria, and biodegradable cleaners that rapidly begin to assimilate proteins and odors found in pet accidents. Pet Master is nontoxic, biodegradable, and smells great!

SPOT MASTER

Spot Eliminator System

- Fast & effective.
- Fully adjustable Spot Master Brush -there's no more getting down on bended knee.
- No blotting required under normal circumstances!

CARPET GLOSS

Extraction Carpet & Upholstery Cleaner

- A highly concentrated shampoo containing special polymeric soil barriers that provide lasting protection against resoiling.
- Built-in deodorizers and optical brighteners leave the carpet fresh and bright with that "like new" appearance.
- A 1/2 ounce per gallon dilution

TRAFFIC MASTER

Carpet Cleaning System

- Breaks up and floats away grease, dirt, food stains, and other soil – while actively preventing resoiling!
- Use extraction, rotary, or bonnet cleaning, even works great as a prespray

GREAT PRODUCTS TO KEEP THE ENTIRE FAMILY HEALTHY, SAFE & ODOR FREE

ALL NATURAL DISH

All Natural Dish is a high sudsing, long lasting, super concentrated hand dishwashing liquid made completely from all natural ingredients. There are no artificial colors/dyes, fillers, or perfumes; only the finest natural cleaning agents derived from plant based surfactants.

MOLECULE PLUS 100 ODOR COUNTERACTANT

Extreme strength odor counteractant instantly destroys even the worst of malodors! Nontoxic & biodegradable – it excels at direct contact odor elimination on odiferous sources. Fantastic as a carpet shampoo, laundry, or auto scrubber additive!

D-GERM HAND SANITIZING GEL

Instant waterless hand sanitizing gel fortified with moisturizing Aloe, Vitamin E, and dimethicone to soften skin while killing 99.99% of germs and bacteria. This fantastic product is available in 4 oz., 18 oz. pump bottles, and dispenser cartridges too!

PARVO KILL

This 5th generation quat boasts some of the highest efficacy in a neutral pH quat disinfectant we've ever seen. Extremely cost effective at 1/2 oz. per gallon, and excels on tough pathogens—even in the animal world where many pathogens are showing signs of disinfectant resistance. Kills parvo at 2oz./gallon.

HQD NEUTRAL DISINFECTANT

The latest dual chain Quat Disinfectant formula that not only kills pathogenic bacteria, but is a fantastic cleaner. This virucidal product is effective against H1N1, HIV-1, MRSA, HBV, HCV, and much more! 12 month diluted spray bottle shelf life too!

SANI-CIDE – 60 SECOND SANITIZER

An E.P.A registered sanitizer for glassware or hand dishwashing. Excellent for kitchens and kitchen utensils. Very effective in meat rooms, nursing homes, etc., for killing bacteria. High dilution rate.

MEGA QUAT

This latest breakthrough in disinfectant technology combines the kill of much harsher disinfectants with the user friendly benefits of "quats". Best of both worlds!

SANI SPRAY

This ready to spray EPA registered sanitizer is effective against Salmonella, E-coli, Listeria and much more. Plus, it's safe for all food contact surfaces! Sanitizes without the guess work!

ALIVE LIQUID BACTERIA

THE ONE & ONLY, TRUE...  
ALIVE LIQUID BACTERIA

Convert Organic Waste Into Carbon Dioxide & Water

NON-TOXIC • NON-ACID • NON-ALKALINE • ENVIRONMENTALLY SAFE

Contains 110 BILLION live bacteria per liquid quart!  
Now with XP47 Synergist!

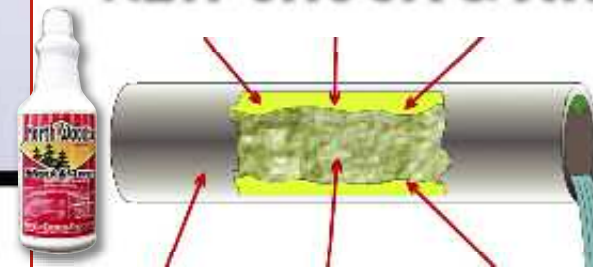

This synergistic blend of cultured bacteria, enzymes, detergent & deodorants will digest and liquefy organic waste, paper, detergent, grease, hair, fat and other wastes to free drains, pipes and grease traps. It will restore normal biological activity to septic tanks and sewage treatment plants.

EFFECTIVE FOR:

- GREASE TRAPS
- FLOOR DRAINS
- SEPTIC TANKS
- DRAIN LINES
- CESSPOOLS, LAGOONS
- SLUDGE DIGESTERS
- PORTABLE TOILETS
- REFUSE CONTAINERS
- RECREATION VEHICLES & BOATS
- MUNICIPAL SEWAGE TREATMENT PLANTS

NEW SHOCK & AWE

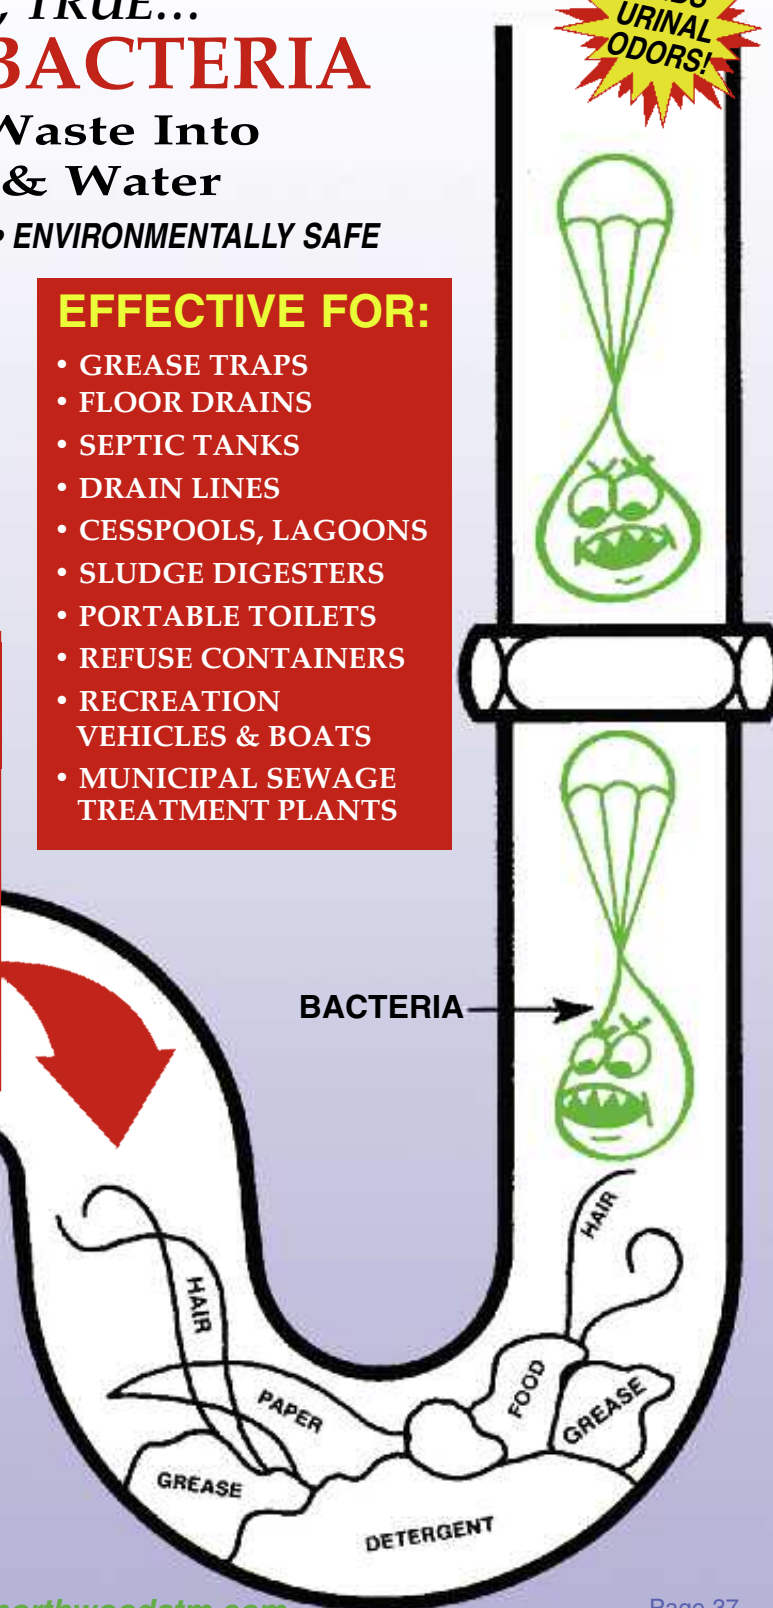

Urinal Line Renovator!

Alive Ends Embarrassing Odors Inside Your Urinals...

Urine Catchers Prevent Them On The Outside!

BACTERIA

**Personal Bug Off Insect Repellent**
