## A Letter from the President

Dear Monarch Nation:

Welcome to Kornblau Field at S.B. Ballard Stadium! I am so pleased that you are joining us for Old Dominion University's 14th football season, which represents the fourth in our expanded and renovated stadium and our second in the Sun Belt Conference.

Without question, Monarchs - both near and far - are incredibly proud of the significant accomplishments of our student-athletes. While all of our outstanding teams exhibited championship effort last season, women's soccer, women's golf, men's tennis, and women's field hockey surpassed their competitors to win championships. As a group, our student-athletes also excelled in the classroom and recorded a composite 3.28 grade point average last fall. The women's volleyball team had the highest GPA with an impressive 3.72.

Ambition and achievement are also the hallmarks of our academic enterprise as a public research university. Forward-focused and driven by excellence, accountability and transparency, Old Dominion is ranked among the nation's most prestigious research institutions as determined by the Carnegie Classification of Institutions of Higher Education. This well-deserved recognition of our world-class faculty is based on their desire and determination to deliver high-quality education and lead cutting-edge research initiatives. And, with Old Dominion's economic impact of more than \$2 billion annually and through leading work in high-demand fields, such as cybersecurity, data science, health sciences, maritime and resiliency, we are boldly and proudly engaging in transformational work and creating lasting change across our region, the Commonwealth of Virginia, the nation and the world.

As a student-centered institution in all that we do, Old Dominion is fully committed to access and opportunity. Our talented students are seizing every opportunity and making the most of their Monarch experience. After they leave this campus, our impressive graduates are well-equipped to make a difference for their families, communities and professions as strong citizen leaders!

We appreciate Monarch Nation's tireless support and unwavering commitment. Each of you are crucial in making our campus community such a special place. Enjoy the game, and GO MONARCHS!

With Monarch Pride,

Brian O. Hemphill, Ph.D.

Above all else, President Hemphill cherishes the time he spends with his children who are so very precious to him. The Hemphill family resides in the Jacobson House. President and First Lady Hemphill, as well as their entire family, actively engage both on the campus and in the community by attending a variety of activities and events in support their fellow Monarchs!

# DR. CAMDEN WOOD SELIG

Dr. Camden Wood Selig is in his 14th year as Director of Athletics at Old Dominion University, where his “Championship Effort” philosophy has helped guide the department as one of the most respected and successful intercollegiate programs in the nation. Of the 133 FBS Athletic Directors, Selig is the 13th longest FBS tenured in the country. He is in his 25th year as a Division I AD.

During his tenure, Selig has directed the University’s move through two FBS conferences and has Old Dominion positioned strongly in the Sun Belt Conference. He has overseen the transition of a startup FCS football program to the FBS level, led major athletic facility expansion and enhancement for virtually all 18 programs, and added women’s volleyball in 2019.

One needs only to visit the ODU campus to see Selig’s contributions to the growth and improvement of Monarch athletic venues with well over \$100 million invested in Intercollegiate athletic facilities since his arrival. Projects completed and initiated under Selig include:

- ODU opened the \$67.5 million Kornblau Field at S.B. Ballard Stadium on Saturday, August 31, 2019 against Norfolk State. The stadium rebuilding was completed in nine months.
- A \$20 million baseball renovation began in the fall of 2022. The new stadium, which should be complete for the 2026 season, will be called the Ellmer Family Baseball Complex.
- The Bennett & Blanche Mitchum Basketball Performance Center, a privately funded \$8.4 million state-of-the-art facility, is complete and is the new training center for the ODU men’s and women’s basketball teams.
- The \$3.5 million repurposing of the arena in the Jim Jarrett Athletic building is now the brand-new 900 seat home of the ODU women’s volleyball program.
- A \$3.5 million expansion of L.R. Hill support facility for football, women’s field hockey, and women’s lacrosse, including a new state-of-the-art weight room.
- The addition of a \$2.3 million video replay scoreboard, LED ribbon panels, and digital tables at Chartway Arena.
- The \$600,000 Paul A. Keyes Indoor Hitting Complex, which opened in the fall of 2014.

As collegiate athletic costs continue to rise, Selig has placed a premium on increasing privately generated revenue. Since his arrival in 2010:

- Total ODAF philanthropic gifts for athletics have surpassed \$140 million.
- Corporate sponsorship revenue has surpassed \$33 million.
- Staff giving to the Old Dominion Athletic Foundation (ODAF) has remained at 100% for thirteen consecutive years. And, in ODU’s first year in the Sun Belt Conference, they led in attendance for men’s and women’s basketball and set a single-season ODU record for football.

One of the most dramatic and gratifying accomplishments for Selig has been the academic success of the 18 teams. Highlights from 2022-23 include:

- An ODU record 197 student athletes (49%) earned Dean’s List honors with a 3.4 or higher GPA.
- An ODU record 3.26 cumulative GPA for all 475 student-athletes.
- At least a 3.0 GPA recorded by 71% of student-athletes.
- A 3.0 GPA or higher for 16 of 18 teams.

Monarch teams have performed well on the playing fields under Selig, highlighted by:

- Fifteen Conference Championships since 2010, including back-to-back championships for women’s soccer and three straight conference championships for women’s tennis. ODU’s three Sun Belt Conference Championships in 2022-23 were the second most in the league and the most of the four new arrivals (ODU, James Madison, Marshall, Southern Miss).

In Selig’s tenure there have also been numerous firsts and achievements that haven’t been accomplished in many years, including:

- Linebacker Jason Henderson in 2022 became the first ODU football player to earn All-America honors at the FBS level.
- In 2016, ODU participated in its first bowl game in the Bahamas. In 2021, went to its 2nd bowl game in Myrtle Beach.
- Women’s soccer won its first C-USA Championship in 2022 and first conference championship since 2006.

- In June 2022, baseball first baseman Matt Courtney was named C-USA Player of the Year and honored on four All-American teams. Additionally, he earned CoSIDA Academic All-American honors becoming the first baseball player in 17 years to be named an Academic All-American.
- In May 2021, the women's tennis team won the Conference USA Championship for the first time, its first conference championship since 2001. They have since won three-straight conference championships and have won an NCAA first round Tournament match three-straight years, including wins over Arkansas and South Carolina, and has advanced to the final 32 each of the last three seasons.
- Over the 2021 and 2022 baseball seasons, ODU was one of just 11 schools in the country and the only school in Virginia to have back to back 40+ win seasons.
- ODU baseball has the 17th best winning percentage in the country since 2021.
- Nineteen baseball players have been drafted under current head coach Chris Finwood, who Selig hired in 2010.
- The baseball team won its first C-USA Championship, earned a No. 1 seed at the NCAA Regionals and received its highest final ranking in July 2021 of No. 16 in the Top-25 poll.

Hampton Roads Community outreach and support has been a staple under Selig's leadership:

- Selig spearheaded the return of the annual Khedive Shriners' Oyster Bowl game to Foreman Field at S.B. Ballard Stadium in 2011 and helped raise over \$250,000 for the Shriners' Children's Burn Hospital since that time.
- In 2022-23, ODU student-athletes were ranked #9 in the country with 5,321 total community service hours in the NCAA TeamWorks Challenge for all Division 1 schools.

Selig spent 11 years directing the Western Kentucky University Hilltopper athletic program, which won 70 Sun Belt Conference Championships from 2000-2010 and a national record 19 crowns in two seasons, 2008-2010. He also led WKU from FCS to FBS and is the only AD in the country to lead two institutions in this transition.

Prior to his stint at WKU, Selig served as the Senior Associate Athletic Director at the University of Virginia from 1988-1999, overseeing external operations his last five years. He began his athletic career as the Director of Ticketing at VCU, where he served from 1985-1988, finishing his stint as Assistant to the Athletic director.

Selig was a four-year member (2006-2010) of the NCAA Women's Basketball Committee and served as Chair of the Final Four site selection committee. He served as Chair for both the Sun Belt Conference Athletic Directors and the Men's Basketball Committees during his tenure at WKU. He has served on the prestigious Division I Championships/Sports Management Cabinet representing the CAA and is currently on the Elizabeth River Trail Board of Directors and serves on the executive committee for the Norfolk Forum and was recently named the groups secretary. He is a two-time winner of the Tom Fergusson Metropolitan Person of the Year award by the Norfolk Sports Club (2014, 2023), symbolic of his impact on the region's sports profile.

Selig was born in Chapel Hill, North Carolina, and raised in Norfolk, Virginia, where he attended Norfolk Collegiate School. He holds a bachelor's degree in psychology from Washington and Lee University, a master's degree in sports administration from Ohio University and a doctorate in educational leadership from the University of Virginia, with a minor in business from the UVA Darden School of Business. His dissertation "The Study of Donor Predictability Among Alumni Athletes", won the 2002 CASE Outstanding Doctoral Dissertation.

Selig and his wife Ellen of Annapolis, MD, have three children, Lex, 26, Nick, 24 and Julianna, 19.

# RICKY RAHNE

Third Season / Fourth Overall  
Cornell, 2002

Ricky Rahne is in his fourth season overall and prepares for his third season on the field as head football coach at Old Dominion.

Old Dominion went 3-9 in Rahne's second season on the field but the wins were two of the biggest in program history and the accolades were aplenty throughout the season. ODU defeated Virginia Tech 20-17 in the season opener, marking the second win in program history over the Hokies. A few weeks later, the Monarchs defeated Arkansas State 29-26 in the first Sun Belt Conference game in program history. Two weeks later on national television, the Monarchs knocked off previously undefeated and eventual Sun Belt Division Champion Coastal Carolina, 49-21 in Conway, South Carolina.

In individual honors, linebacker Jason Henderson led the country in tackles and became ODU's first FBS All-American, earning the honor from five different publications. Wide receiver Ali Jennings finished third in the country in receiving yards, while right tackle Nick Saldiveri was selected to play in the Reese's Senior Bowl, just the third player in ODU history to play in the most prestigious college football all-star game.

ODU finished in the Top-20 in the country in a handful of categories, including 12th in red zone defense, and in what has become a cornerstone of the program, special teams. ODU ranked 10th in the country in blocked kicks, 13th in punt return defense and 19th in net punting.

In his first season on the field in 2021, Rahne took a team that went 1-11 in 2019, and did not play in 2020, to a bowl game. ODU started the season 1-6 and won five-straight behind Rahne's 1-0 mentality, to earn a bid to the Myrtle Beach Bowl to play Tulsa. ODU became just the third team since 1936 (AP Poll era) to start the season 1-6 or worse and win six games.

Rahne helped lead Zack Kuntz to first-team All-Conference USA honors at tight end and 12 additional Monarchs to spots on the C-USA honorable mention team. Kuntz finished second in the country among tight ends with 73 receptions, while running back Blake Watson became the first ODU running back since 2016 to rush for over 1,000 yards and finished 22nd in the country with 101.1 yards per game.

ODU had its best scoring defense since 2016 and tied a school record by allowing 20 points or less five times. Linebacker Jordan Young broke the 100-tackle barrier for the first time in his career and set the ODU career record for tackles with 350. The Monarchs finished third in Conference USA and 35th in the country in rushing defense.

Rahne has built the Monarchs on being aggressive on the field and that was epitomized by the special teams units. ODU tied for the national lead with four blocked punts and six total blocked kicks. LaMareon James finished the season ranked ninth in the country with a 29.4 yard average on kickoff returns, and was one of two players to have two, 100-yard kickoff return touchdowns.

During ODU's winning streak, the Monarchs outscored teams by a 36-22 margin, and became bowl eligible in the regular season finale, dispatching Charlotte 56-34.

Rahne developed an increasing national profile as a key component of Coach James Franklin's staff at both Penn State and Vanderbilt as an assistant coach for nine years. The coaching staff has guided those teams to bowl games in each of the nine years and have won nine or more games in six of the last eight seasons.

Rahne spent six seasons at Penn State, including the last two as offensive coordinator. Despite having a new starting quarterback in 2019, Rahne helped lead the Nittany Lion offense to 34 points per game, while six offensive players earned all-Big10 honors.

Known as a terrific offensive mind that can adjust to his personnel, Rahne demonstrated that again in 2019. Despite the loss of the No. 2 overall pick in the 2018 NFL Draft (Saquon Barkley), Penn State rushed for the most yards per game in the last 10 years at 204.9. PSU had nine players earn all-conference accolades, and the Nittany Lions led the Big10 with 42 red zone touchdowns, good for 16th in FBS.

Rahne was the quarterbacks coach in four of his six seasons he was at Penn State and both of the quarterbacks he worked with were drafted into the NFL. In 2015, Christian Hackenberg (Jets, 2016) became the all-time leader in career yards passing with 8,457 yards. Three years later, Rahne guided Trace McSorely (Ravens, 2019) past that mark in 2018 with 9,899 yards. He also coached the tight ends in 2016 and 2017, guiding Mike Gesicki who was drafted by the Miami Dolphins.

Penn State played in a bowl game in every year Rahne was there, including a 2016 Big10 Championship and 2017 PlayStation Fiesta Bowl win over Washington. In that time, Penn State had four-straight seasons of at least nine wins, and the Nittany Lions are one of five teams to rank in the Top-15 of the College Football Playoff final rankings in each of the last four years.

Prior to joining Penn State, Rahne was the quarterbacks coach at Vanderbilt for three years.

Prior to Rahne's time at Vanderbilt, the program had been to four bowl games in 121 years of football, none in consecutive seasons. The Commodores were ranked in the Top-25 in the final polls in 2012 and 2013 marking the first time they were ranked in back-to-back seasons in program history.

He spent five years at Kansas State, starting as an offensive graduate assistant before coaching the running backs and tight ends. He helped the Wildcats to two bowl appearances.

Rahne started his coaching career on the defensive side at Holy Cross coaching the defensive line. The following year he coached the running backs at his alma mater, Cornell.

He was a three-year starter at quarterback at Cornell, and graduated as the Big Red's all-time leader in completions (678), passing yards (7,710), touchdown passes (54) and total offense (7,994). He was inducted into the Cornell Hall of Fame in 2014.

Rahne and his wife, Jennifer, have two sons, Ryder and Jake.

# FAN BEHAVIOR

## Guidelines

### NCAA GAME DAY ENVIRONMENT AND FAN CODE OF CONDUCT

NCAA Sportsmanship and Ethical Conduct Best Practices identify reasonable efforts to ensure the fan experience is safe and enjoyable. To this end, proactive measures to encourage positive behavior must be balanced with strict consequences and swift measures to deter and remedy unruly behavior. Policies and media should target two outcomes:

- 1) recognize responsible behavior; and
- 2) communicate the message that inappropriate behavior in violation of NCAA, conference, school, team, or facility rules, endangers or threatens others, or is otherwise detrimental to others will not be tolerated.

### NCAA GAME DAY ENVIRONMENT

The NCAA and its member institutions are committed to creating a safe, comfortable and enjoyable game day experience. The NCAA and member institutions pledge to protect a fan's right to:

- Watch the game in a safe, clean and healthy environment.
- Be treated in a courteous, consistent and professional manner.
- Be treated with dignity and respect by other spectators attending the game and those organizing the event.
- Support his or her team, provided the support is in good taste and does not adversely impact the event experience of fellow spectators or negatively impact the game.
- Expect displays of good sportsmanship.

### THE NCAA EXPECTS FANS TO:

- Cheer, sing, and otherwise support their team while remaining respectful and courteous to their fellow patrons, referees, opposing team fans and players.
- Enjoy the game experience free from fighting, thrown objects, attempts to enter the playing field, political or inciting messages, and disorderly behavior, including foul, sexist, racial, obscene or abusive language or gestures.
- Comply with requests from athletics facilities staff regarding stadium policies and emergency response procedures.
- Conduct themselves in a lawful manner to avoid incidents in the stadium and in the parking lots.

For any game where alcohol is available, at tailgating or inside the venue, fans who consume alcoholic beverages will do so in a responsible manner. Intervention with an impaired, intoxicated or underage guest will be handled in a prompt and safe manner.

### NCAA FAN CODE OF CONDUCT

- The following violations should be identified as actions that may result in sanctions:
- Behavior that is reckless, dangerous, disruptive, or illegal in nature.
- Demonstrating signs of impairment from alcohol or other substances.
- Foul or abusive language or obscene gestures.
- Interference with the progress of the game (including entering the field of play or throwing objects onto the field).
- Failing to follow instructions of stadium personnel or law enforcement officers.
- Verbal or physical harassment of the opposing team's players or fans, field officials, or stadium personnel.

**Fans have several options to report their concerns, to include alerting the nearest usher or a member of the game management staff, or sending a text to 757-617-7457 with your seat location and concern during the game. A member of the game management staff will respond to the message immediately.**
