### THE STREAK (66-0)

In 1990, the Lady Monarchs went 23-2-1 en route to winning their fifth NCAA trophy. At the tail end of the season, the club began what became known as "The Streak," a string of 66 wins that spanned the '90, '91, '92, and '93 seasons with 48 shutout victories included. In 1991 and 1992, the team enjoyed back-to-back perfect seasons, compiling an impeccable 51-0 record over the two additional national championship seasons. With the wins, Old Dominion became the only team in field hockey history to complete the "three-peat" two different times.

In addition to the impressive winning ways of the Old Dominion program in the early '90s, the Lady Monarch teams showed complete domination on both ends of the field. During that three year span, Old Dominion outscored their opponents by a 325-26 margin. The team allowed just four goals in the 1992 season while scoring 163.
