Ricky Rahne
 Thurmond Family ODU Head Coach
 Cornell, 2002
 Fourth Season/Fifth Overall

Rahne Record
2021: 6-7
2022: 3-9
2023: 6-7
2024: 0-1
Total: 15-24

Ricky Rahne has taken Old Dominion Football to bowl games in two of the last three years as he enters his fifth season as head coach of the Monarchs.

ODU went 6-7 in 2023 and clinched a bowl berth by winning its final two games of the regular season on the last play of each game. The Monarchs played Western Kentucky in the Famous Toastery Bowl in Charlotte, North Carolina and fell 38-35 in overtime.

The Monarchs worked in 16 new starters, nearly 60 new players and returned the sixth fewest starts in the country heading into the season. A year after finishing last in the Sun Belt in most offensive categories, Rahne hired former Fordham offensive coordinator Kevin Decker to take over the offense, and it showed improvement as ODU finished eighth in the league in rushing and 11th in scoring offense. Quarterback Grant Wilson, a transfer from Fordham, improved each week and the combo of Keshawn Wicks and Kadarius Calloway combined to rush for 1,212 yards and eight touchdowns. Wide receivers Isiah Paige, Kelby Williams and Reymello Murphy led the young unit as Paige led the team in receptions and Williams and Murphy were in the top-50 in the country in yards per catch.

For the second-straight year, linebacker Jason Henderson made history, becoming the first FBS Monarch to earn first-team All-America honors, as he received the honors from a variety of media outlets, including Walter Camp and The Sporting News. Henderson led the country in tackles per game for the second-straight year and finished third in the country in tackles for loss per game. Along with Wayne Matthews and Terry Jones, ODU was the only team in the country to have three players with more than 100 tackles.

To get to six wins, ODU exorcised a few demons, defeating App State and Georgia Southern for the first times in program history. ODU played in 11 one-score games and went 6-5 in those games. Six of those games were not decided until the final play of the game.

Old Dominion went 3-9 in Rahne's second season on the field but the wins were two of the biggest in program history and the accolades were aplenty throughout the season. ODU defeated Virginia Tech 20-17 in the season opener, marking the second win in program history over the Hokies. A few weeks later, the Monarchs defeated Arkansas State 29-26 in the first Sun Belt Conference game in program history. Two weeks later on national television, the Monarchs knocked off previously undefeated and eventual Sun Belt East Division Champion Coastal Carolina, 49-21 in Conway, South Carolina.

In individual honors, linebacker Jason Henderson led the country in tackles and became ODU's first FBS All-American, earning the honor from five different publications. Wide receiver Ali Jennings finished third in the country in receiving yards, while right tackle Nick Saldiveri was selected to play in the Reese's Senior Bowl, just the third player in ODU history to play in the most prestigious college football all-star game. ODU finished in the top-20 in the country in a handful of categories, including 12th in red zone defense, and in what has become a cornerstone of the program, special teams. ODU ranked 10th in the country in blocked kicks, 13th in punt return defense and 19th in net punting.

In his first season on the field in 2021, Rahne took a team that went 1-11 in 2019, and did not play in 2020, to a bowl game. ODU started the season 1-6 and won five-straight behind Rahne's 1-0 mentality, to earn a bid to the Myrtle Beach Bowl to play Tulsa. ODU became just the third team since 1936 (AP Poll era) to start the season 1-6 or worse and win six games.

Rahne helped lead Zack Kuntz to first-team All-Conference USA honors at tight end and 12 additional Monarchs to spots on the C-USA honorable mention team. Kuntz finished second in the country among tight ends with 73 receptions, while running back Blake Watson became the first ODU running back since 2016 to rush for over 1,000 yards and finished 22nd in the country with 101.1 yards per game.

ODU had its best scoring defense since 2016 and tied a school record by allowing 20 points or less five times. Linebacker Jordan Young broke the 100-tackle barrier for the first time in his career and set the ODU career record for tackles with 350. The Monarchs finished third in Conference USA and 35th in

the country in rushing defense.

Rahne has built the Monarchs on being aggressive on the field and that was epitomized by the special teams units. ODU tied for the national lead with four blocked punts and six total blocked kicks. LaMareon James finished the season ranked ninth in the country with a 29.4 yard average on kickoff returns, and was one of two players to have two, 100-yard kickoff return touchdowns.

During ODU's winning streak, the Monarchs outscored teams by a 36-22 margin, and became bowl eligible in the regular season finale, dispatching Charlotte 56-34.

Rahne was the offensive coordinator at Penn State for two seasons and on the Nittany Lions coaching staff for six years.

Rahne (pronounced ronnie) developed an increasing national profile as a key component of Coach James Franklin's staff at both Penn State and Vanderbilt. The coaching staff has guided those teams to bowl games in each of the nine years and have won nine or more games in six of the last eight seasons.

Rahne spent six seasons at Penn State, including the last two as offensive coordinator. Despite having a new starting quarterback, Rahne helped lead the Nittany Lion offense to 34 points per game during that season, while six offensive players earned all-Big10 honors this season.

Known as a terrific offensive mind that can adjust to his personnel, Rahne demonstrated that again in 2019. Despite the loss of the No. 2 overall pick in the 2018 NFL Draft (Saquon Barkley), Penn State rushed for the most yards per game in the last 10 years at 204.9. PSU had nine players earn all-conference accolades, and the Nittany Lions led the Big10 with 42 red zone touchdowns, good for 16th in FBS.

Rahne was the quarterbacks coach in four of his six seasons at Penn State, as both of the quarterbacks he worked with were drafted into the NFL. In 2015, Christian Hackenberg (Jets, 2016) became the all-time leader in career yards passing with 8,457 yards, three years later, Rahne guided Trace McSorely (Ravens, 2019) past that mark in 2018 with 9,899 yards. He also coached the tight ends in 2016 and 2017, guiding Mike Gesicki who was drafted by the Miami Dolphins.

Penn State played in a bowl game in every year Rahne was there, including a 2016 Big10 Championship and 2017 PlayStation Fiesta Bowl win over Washington. In that time, Penn State has had four-straight seasons of at least nine wins, and the Nittany Lions are one of five teams to rank in the Top-15 of the College Football Playoff final rankings in each of the last four years.

Prior to joining Penn State, Rahne was the quarterbacks coach at Vanderbilt for three years.

Prior to Rahne's time at Vanderbilt, the program had been to four bowl games in 121 years of football, none in consecutive seasons. The Commodores were ranked in the Top-25 in the final polls in 2012 and 2013 marking the first time they were ranked in back-to-back seasons in program history.

He spent five years at Kansas State, starting as an offensive graduate assistant before coaching the running backs and tight ends. He helped the Wildcats to two bowl appearances.

Rahne started his coaching career on the defensive side at Holy Cross coaching the defensive line. The following year he coached the running backs at his alma mater, Cornell.

He was a three-year starter at quarterback at Cornell (2002), and graduated as the Big Red's all-time leader in completions (678), passing yards (7,710), touchdown passes (54) and total offense (7,994). He was inducted into the Cornell Hall of Fame in 2014.

Rahne and his wife, Jennifer, have two sons, Ryder and Jake.

players this year are transfers.

Aaron Young is a running back transfer from Rutgers and the younger brother of former ODU linebacker and current ODU graduate assistant, Jordan Young.

Will Jones II is a safety from South Florida. Jones began his college career at Kansas State playing for ODU Defensive Coordinator Blake Seiler.

Javon Thomas	DL	Eastern Michigan	18 (Aug. 6, 2006)

Paige Prowess

Isiah Paige's eight catch, 115-yard performance in the opener at South Carolina was his first career 100-yard receiving game. It was ODU's first 100-yard game by a wide receiver since Kelby Williams had 197 yards in last year's win over Texas A&M Commerce on Sept. 23.

Alston Builds From Strong Spring

At the end of spring practice ODU hands out the "Heart of a Lion" Award to an offensive and defensive player that had the best off-season on that side of the ball. Myles Alston and Denzel Lowry won the award. A transfer from Pittsburgh, Alston played in just one game in 2023 and did not catch a pass. In the opener at South Carolina he caught five passes for 40 yards. His first career receptions.

A Rarity

Seth Naotala joined the team on Monday, Aug. 26. Naotala, the older brother of linebacker Koa, played in Saturday's season opener at South Carolina on the kickoff return team.

Naotala is one of two players in the country who joined their respective teams the first week of school to play in the opener. The other, Louisville's Ahmari Huggins-Bruce, played his first three years at Louisville before transferring to South Carolina, only to leave South Carolina during fall camp and join the Louisville squad on August 27.

Game 2 · ODU vs. East Carolina

Tough Sledding

By any measure Old Dominion has a tough 2024 schedule. Ten-of-12 opponents played in a bowl game in 2023, while South Carolina and East Carolina did not, are typically in bowl contention. ODU is also one of 17 FBS schools that do not play an FCS team this season. ODU also did not play an FCS team in 2022. A pair of ODU opponents, App State and Virginia Tech, do also not play an FCS team this season.

New Rules

College Football has introduced several new rule changes for the 2024 season.

• **Coach to player communication.** One player on each team will have radio receiving capability and the player must be identified by an unbranded green dot on the back midline of the helmet. Coach-to-player communications will be cut off when the play clock reaches 15 seconds or at the snap, whichever comes first. When the play clock resets to 25/40, the communications will be turned back on. If more than one green dot helmet is detected on the field by the game officials, the result is a live ball 5-yard equipment violation penalty, and this penalty initiates a conference review.

• **Standard Tablets for in-game video only is permissive in 2024 for all football playing subdivisions and are subject to the following guidelines:** Tablets shall be restricted to “in-game video” (current game) and may not include analytics, data or data-access capability or any other communications access. No other video is allowed (e.g., scouting video, practice video, etc.). Tablets may be used in the coach’s box, sideline, and locker room and may not be interconnected to other devices to project larger/additional images. Video may include coach’s sideline, coach’s endzone, and a program feed per play from the current game only and may also display “game circumstances,” including down / distance / time / quarter / play-number / score. A team may have up to 18 standard tablets active, and all team personnel may view the tablets. If any team personnel engages an official with a tablet to show or review video, an automatic Unsportsmanlike Conduct foul will result.

• **Two-Minute Timeout.** When the game clock is running and the ball is not live, the Referee shall stop the clock with exactly two minutes remaining in the second and fourth quarters for a Two-Minute Timeout. If the ball is live when the game clock reaches two minutes in the second and fourth quarters, the play will continue, and the Referee shall stop the clock when the ball is subsequently declared dead for a Two Minute Timeout.

• **Horse Collar Tackle.** For player safety, Horse-collar tackles that occur within the tackle box will be penalized as a 15-yard personal foul penalty. Currently, a horse-collar tackle within the tackle box is not a foul.

About Old Dominion University

Old Dominion University was founded in 1930 by the College of William and Mary, the second oldest university in the United States. Established as an extension of William and Mary in Williamsburg, Virginia, and Virginia Tech, Old Dominion began educating teachers and engineers. The two-year school rapidly evolved into a four-year institution, and was granted independence in 1962 as Old Dominion College.

Considerable growth in enrollment, the expansion of research facilities and preparation for the addition of graduate programs led the Board of Visitors to approve the name change to Old Dominion University. Now Old Dominion is a powerhouse for higher education with six colleges: Arts and Letters, Business and Public Administration, Education, Engineering and Technology, Health Sciences and Sciences. Old Dominion has offered master’s degrees since 1964, became Old Dominion University in 1969 and Ph.D.s since 1971.

World’s Largest Naval Base

Naval Station Norfolk is the largest Naval Base in the world and just minutes from Old Dominion University.

Big Blue

When ODU became independent from the College of William & Mary in 1962, while there was no official mascot, Old Dominion College took on a mace and crown as their symbols in publications and athletics.

Big Blue made his debut during a basketball game in December 1971.

Ironically, the first costume was more orange than blue, and when trying to dye the costume made it more grey-green than blue, the university had to hire a seamstress to sew on powder blue fake fur to approximate the school colors at the time. Through the 1970s and into the 1980s, Big Blue evolved from a fierce lion into a soft, friendly lion. By the 1990s and early 2000s, Big Blue has morphed into his current look with little changes over the years.

In 2011, Big Blue was voted as the Capital One National Mascot of the Year.

In October 2013, a seven-foot-tall bronze sculpture of Big Blue was unveiled in Webb University Center to start a new campus tradition. Students take their photograph with Big Blue at the start and end of their Monarch journey. The statue was conceived by the Student Government Association (SGA) and created by sculptor Richard Stravitz. Throughout their time at Old Dominion, students can rub Big Blue’s belly for good luck and prosperity.

Monarchs in the NFL

Old Dominion has eight players in NFL training camps this year. In just 14 years of football, Old Dominion has had five players drafted and another handful of players make it to the NFL via undrafted free agency. Former ODU quarterback Taylor Heinicke and long snapper Rick Lovato enter their 10th year in the NFL this season, both as undrafted free agents. Heinicke initially signed with the Minnesota Vikings and spent time on their roster and practice squad, but never actually played a game for the Vikings. He has played for the Houston Texans, Carolina Panthers, Washington Commanders and Atlanta Falcons.

Lovato was originally signed by the Chicago Bears but was cut during training camp. He saw his first action with the Green Bay Packers and is the first Monarch to play in an NFL regular season and postseason game. He has played for the Washington Redskins and is currently with the Philadelphia Eagles, who he won a Super Bowl with in 2018.

Game One Recap • South Carolina 23 Old Dominion 19

ODU Drops Opener at South Carolina, 23-19

COLUMBIA, S.C. – Defeat with honor is a statement that isn't in the lexicon of Old Dominion Head Football coach Ricky Rahne. But that clearly described what happened Saturday night at Willams-Brice Stadium.

ODU went toe-to-toe Saturday night with an SEC opponent on its own home turf. The Monarchs were often more physical than South Carolina and at times, outplayed the Gamecocks.

But the ODU offense could not generate enough points and committed two crucial turnovers that led to two South Carolina touchdowns and allowed the Gamecocks to claim a 23-19 victory.

Both South Carolina touchdowns came after Monarch turnovers inside the ODU 10.

Both turnovers came on fumbles from quarterback Grant Wilson, who completed 22 of 38 passes for 197 yards a passing and rushing touchdown and two interceptions.

ODU trailed 16-7 midway through the third quarter when the previously moribund Monarch offense kicked into gear.

Wilson completed two passes to Myles Alston, and then on third down, was rushed from the pocket, and raced 36 yards for the touchdown to trim the South Carolina lead to 16-13 with 4:57 left in the third quarter.

Then, after ODU's defense held the Gamecocks on downs, the Monarchs drove from their own 40 to the Gamecock 24, where the drive stalled.

Ethan Sanchez, who had a PAT blocked on the previous score, then drilled a 40-yard field goal to knot the score at 16-all with 14 seconds left in the third quarter.

Sanchez then kicked a 33-yard field goal to give ODU its first lead, 19-16, with 9:54 to play as the 1,000 or so Monarch faithful began chanting "ODU" in an otherwise quiet stadium.

The ODU defense then held the Gamecocks on downs and with 7:52 left, and the Monarchs started at their own 10 yard line.

But that's when things became undone. On third down, Wilson scrambled up the middle and was stripped of the ball by lineman Dylan Stewart. Lineman DeAndre Jules recovered.

It took two plays for South Carolina to retake the lead, 23-19, on a three-yard Sellers rush with 6:11 left.

Wilson was somber in the postgame press conference, but answered tough questions forthrightly.

ODU's offense got the ball back twice more but was unable to get into scoring position. Defensive back Jalone Kilgore iced the game with 1:21 left when he intercepted Wilson at the ODU 41.

The Monarchs got off to a rough start. On the game's first drive, Wilson was rushed from the pocket and corralled by two South Carolina defenders, including Kyle Kennard, who knocked the ball loose. The Gamecocks recovered at the three.

Raheim Sanders scored three plays later and the Gamecocks led, 7-0.

Wilson recovered quickly from his mistake and quieted the boisterous crowd with a 72-yard TD pass to Isiah Paige that knotted the score at 7-7 just seconds later. He found Paige at the 25, and the speedster from Richmond junked to his right and then left again to shake off a defender and bounded into the end zone.

South Carolina made it 10-7 on a 40-yard field goal from Alex Herrera – the field goal was forced by a third-down sack by ODU's Mario Thompson.

South Carolina led, 10-7, early in the second quarter when a lightning strike several miles away forced a 40-minute delay.
