Quiz 3

1. A1 throws a forward pass from his own 40 YL. B14 intercepts on his 8 YL and circles back into his EZ. While B1 is in the EZ, the covering official inadvertently sounds his whistle. **RULING:** Since B14 is in possession, B has the option of accepting the results of the play at the time of the whistle or asking for a replay of the down. Since the result of the play would be a safety, B would normally choose to replay the down. (4-2-3c, 8-5-2a)
2. A1 throws a forward pass from his own 40 YL. B14 intercepts the ball 4 yards deep in his EZ. While B1 is attempting to run out of his EZ, the covering official inadvertently sounds his whistle. **RULING:** Since B14 is in possession, B has the option of accepting the results of the play at the time of the whistle or asking for a replay of the down. Since the result of the play would be a touchback, B would normally choose to take the ball on his 20YL (4-2-3c, 8-5-2a)
3. A1 or B1 is in a position to catch or intercept a forward pass beyond the NZ. An opponent, who is in the vicinity, turns his back to the ball. The opponent directs his attention to A1 or B1 and waves his arms to block the vision of the potential receiver or interceptor but does not make contact. **RULING:** No foul. 2017 Rules Change (7-5-10)
4. A14 throws a legal forward pass from his 35 YL. As A8 prepares to catch the pass, B15 interferes (DPI) with his attempt to catch the pass. A8 catches the pass and is immediately downed at the B40 YL. The officials conference and decide since the pass was completed that the 15 YD penalty for DPI will be enforced from the B40 (tack on). **Ruling.** NO- this is not roughing the passer, nor is it intentional DPI that could have added the 15 YD penalty on to the play. (7-5-10 penalty)and(9-4-4 penalty)
5. A1 scores a TD. After the score, B commits a (a) dead-ball, (b) unsportsmanlike or (c) non-player foul prior to the initial RFP on the Try. **RULING:** In (a), (b) or (c), A may elect to enforce the foul at the succeeding spot or on the subsequent kickoff. (8-2-5)
6. 4th and 9 for team A. A's HC decides to punt and sends in A15 to punt and A21 to replace the snapper A55, leaving four A players numbered 50-79 on the LOS. A15 lines up 8 yards behind A21 and punts the ball to the B45 YL. The U throws a flag for an illegal numbering foul against A. **Ruling:** Since A15 is not in a legal scrimmage kick formation the exception to the numbering requirements, of having five players on the LOS numbered 50-79, doesn't apply. Illegal numbering -5 YDS. (2-14-2-b) (7-2-5).

7. Snapper A50 takes his position over the ball and places one or both hands on the ball. The RFP signal is given and as A1 begins the motion to snap the ball, B66 swipes at the ball attempting to dislodge it from the snapper, touching the snapper's hand or the ball prior to the snapper releasing the ball for the snap. **RULING: This is a foul for encroachment on B. Repeated attempts at this act could be considered unsportsmanlike conduct by the game officials. (7-1-6-c)**
