**NFHS Rules**

1. :12 remaining in the 4Q. B is leading by 2 points. Runner A10 runs OOB. The **LJ** asks B's HC if he wants to start the GC on the RFP. **Ruling: Incorrect. There is no such option for B. The only option is for B to start the GC on the snap. Rule: 3-4-7.**
2. A, 3/10 @ B's 40 YL. On a scrimmage play A1 changes direction and A81 approaches B51. B51 turns and see's A81 coming. A81 lowers his shoulder and blocks B51, the block on A81 knocking him to the ground. The **U** throws his flag for an blindside block. **Ruling: Incorrect. This block does not meet the definition of a blindside block as B51 saw A81 approaching before the block was made. Rule: 2-3-10**
3. K, 4/10 @ K's 30 YL. After K3's punt R21 runs onto the field. He doesn't realize he is the RT's 12<sup>th</sup> man on the field. R21 blocks K43. R80 catches the punt @ RT's 30 YL and returns it to K's 10 YL. The **HL** throws a flag for illegal participation on R21. The **Crew** enforces this as a loose ball foul from the previous spot and gives K a 1<sup>st</sup> down and awards K a new series @ K's 45 YL. **Ruling: Incorrect! Illegal participation during a kick is now enforced as a PSK foul. The 15 YD penalty will be enforced from the RT's 30 YL. RT, 1/10 @ RT's 15 YL. Rule: 2-16h.**
4. A, 3/10 @ B's 25 YL. After A10 runs OOB he is hit by B40. A10 immediately pushes B40. B31 then curses at A10. The **HL** throws flags for the dead ball DB late hit on B40 and the DB foul on A10. The **BJ** throws a flag for UNS on B31. The **Crew** offsets all DB fouls. **Ruling: Incorrect! The DB personal fouls on A10 and B40 will offset by Rule. However, the UNS on B31 will be enforced. Rule 10-2-5b**
5. A, 3/20 @ B's 40 YL. A14's pass is airborne. Before the **R** completes yelling "Balls Away" B55 hits A14 in the head with the crown of his helmet. A80 catches the pass at B's 34 YL and is then downed at B's 30 YL. The **R** throws a flag for roughing the passer. The **Crew** enforces the penalty from the previous spot, resulting in B, 3/5 @ B's 25 YL. **Ruling: Incorrect penalty enforcement. This foul is enforced from the DB spot at the end of A80's run. Additionally, this is an automatic first down. B55 will be Disqualified due to the severity of the contact on the passer A14. It will be A, 1/10 @ B's 15 YL. Rule: 10-5-5 and 10-1-7b.**
6. After an enforced penalty, K1 is free kicking (KO) from K's 20 YL. :10 remain in the 4Q with K leading by 2 points. K1 falls as he kicks the ball which causes the kick to be high and short. R1 signals fair catch at K's 37 YL. R2 catches the kicked ball. K's HC informs the officials he wants to attempt a free kick after fair catch. The **R** informs the HC he has the right to choose this. **Ruling: Incorrect! R1 gave the fair catch signal and R2 caught the ball. While the ball still becomes dead immediately as R2 caught the ball it's not a fair catch as the teammate of the player who gave the signal caught the ball. Rule: 6-5-3**
7. A, 3/10 @ A's 20 YL. A16 throws an interception to B35 @ A's 40 YL. B35 runs for a TD. Prior to the interception A67 holds B75. After the interception and before B35 crosses A's GL. B59 is flagged for an illegal block in the back @ A's 30 YL. The **Crew** offsets the 2 live ball fouls and replays the down. **Ruling: Incorrect! B intercepted the ball with "clean hands". In order to keep the ball, B will have to decline the holding foul on A67. A will surely accept the foul for B59's illegal block in the back. The 10 YD penalty will be enforced from A's 30 YL and B will have the ball 1/10 @ A's 40 YL. Rule: 10-2-2**
