NFHS Rules

1. A1 scores a TD on a long run. During the run A13 runs onto the field from his team box in celebration. The **LJ** throws a flag. The **Crew** gets together and decides to enforce the penalty at the spot of the foul with no TD. **Ruling: Incorrect! The foul for UNS on A13 is enforced from the succeeding spot. Rule- 9-8-1i and 10-4-5a.**
2. K is lined up to attempt a Try. The ball is snapped and holder K1, with his knee on the ground, tosses the ball to the K2 (place kicker) who runs the ball in for 2 points. **Ruling: No, the ball became dead immediately when K1 failed to raise his knee from the ground to toss the ball to K2. Rule- 4-2-2a, Exception 1 and case play 4.2.2 Sit. A(c).**
3. A, 3/G @ B's 2 YL. At the snap A1 hands the ball to A2 who is meets resistance at B's 1 YL. A3 immediately places his hands on A2's back and pushes A2 into the EZ for a TD. The **R** throws a flag on A3 for helping the runner. **Ruling: Correct! A2's forward progress cannot be assisted by another A player's pushing, pulling or lifting. Rule: 9-1 and case play 9.1 Situation.**
4. A, 3/5 @ B's 15 YL. A85 runs onto the field 3 YDS from A's SL and gets set just before the snap. A85 goes downfield and catches a pass @ B's 7 YL. The **HL** throws a flag for illegal formation due to A85 not being inside the 9 YD marks momentarily before the snap. **Ruling: Correct. All players and/or replaced players must be inside the 9 YD marks momentarily before the snap. Rule: 7-2-1 and case play 7.2.1 Situation A**
5. During A1's run B1 is blocked and his helmet comes off. The **LJ** blows the play dead due to B1's helmet coming off. **Ruling: Incorrect. The play is not stopped for any player's helmet coming off, other than the runner. Rule: 4-2-2k and 4.2.2 Situation K.**
6. A1 runs for a 1st down and is tackled at B's 40 YL. After the play A1 is flagged for UNS (dead ball). The **R** signals 1st down and then give the UNS signal. After enforcement the chains are set at 1/25 for A. The **R** then gives the RFP signal. **Ruling: Incorrect! Upon being awarded a new series of downs all distances for penalties (including nonplayer and UNS) committed before the ensuing RFP signal shall be enforced prior to the new LTG being established. Rule: 5-3-1.**
7. K, 4/10 @ K's 20 YL. After the snap K1 runs to his right and punts the ball rugby style. R1 is approximately 2 yards away from K1 when he kicks the ball. R1 contacts K1 and K1 is knocked the ground. R1 did not touch the kicked ball. The **R** does not throw a flag for roughing the kicker. **Ruling: In determining whether an R player has roughed a kicker one key answer the R must ask is whether the contact was unavoidable because it was not reasonably certain whether a kick was going to be made. In a rugby style punt some punters are given the latitude to either run the ball or kick the ball based on the defense. Rule: 9-4-5-a and Case play 9-4-5 Sit. B**

OHSAA Mechanics

8. At halftime the HT and VT leave through a common field opening to go to their respective locker rooms. The **Crew** gathers and waits for the teams to leave the field to start the GC. **Ruling: NO! The crew should establish prior to the game whether the teams will use a common field opening at halftime. The Crew must "hold" the VT and allow the HT to exit first. Reference: GB pg. 14, #17-B.**
9. This is missed SO much! Ball is downed in SZ. **R** calls for a measurement. **BJ** comes out and holds ball for measurement but does not get a new FB. After measurement **R** picks up FB and moves it inside the HM. **Ruling: Incorrect! When ball is downed in the SZ and measurement is called for the BJ must secure a new FB and bring it out. If ball is short the BJ will continue to hold old FB and hand new FB to R so he can place it inside the HM. The BJ will stay with old FB until new FB is placed inside the HM. Then get old FB to respective SL. Reference: GB pg. 16, #22-C.**

OHSAA Regulations

10. KO time is 7pm. The HT is on the field and is waiting to KO at 7pm. The VT has not arrived on the field yet. The **R** throws a flag and signals delay of game. **Rule: Incorrect! This is NOT a foul for delay of game. This is a UNS foul on the VT.** *Reference: GB pg. 37- #17-B*
