ALZHEIMER'S DISEASE AND DEMENTIA CARE: Requirement for CDP Credential

*Presented by Carrie Brister, MA, ALM, CDP,
CADDT, ADC*

Carrie has been working with aging adults for over 25 years and has committed her career to educating professionals about "all things dementia." She became intimately acquainted with dementia as a 10-year-old, and has committed from that time to provide seniors with cognitive decline a dignified and joyful life, which comes through superior dementia operations and education. This 8-hour course satisfies the requirement to apply for the credentials of Certified Dementia Practitioner.

Olney Assisted Living is offering this seminar for professionals wishing to pursue the Certified Dementia Practitioner (CDP) certification.

RSVP by Tuesday, December 6th

Virtually Hosted by Olney Assisted Living: 16940 Georgia Ave., Olney, MD 20832
