

Christina Haddad

singer | Lebanon

Christina Haddad's career began in city piano bars, where she earned the love and appreciation of the audience learning her craft. Highly charismatic and known for her sentimental, yet powerful voice, Christina has performed in various renowned night spots in Lebanon, including The Piano Bar, Le Retro, Phoenicia Intercontinental, Riviera, VIP Lounge, Rosé, Society Wine Lounge, Sepia, Table 7, Blue Note, and others. She has also performed in Jordan and the UAE. For three years, Christina headlined in the Burlesque Show at the "Playroom" where she performed weekly in conjunction with 15 artists live on stage. She was chosen for her broad vocal abilities, her talent as a feisty showgirl, and her unique connection with the audience where she won their hearts over and over again. The artist is highly sought after for many private parties, weddings, festivals, and large scale events, both in Lebanon and internationally. Some countries include Egypt, the UAE, Jordan, and the United States.

She is currently working on many other covers, so stay tuned! Christina's passion for performing art exceeds singing, as she participated in Ghassan Rahbani's epic Musical "Hannibal" in 1996. In 2000, she took part in Oussama Rahbani's Legendary Play "He Rose on the Third Day" as an actress & assistant director. In 2016, she featured in Nibal Arakji's Comedy Movie "Yalla Abelkon Chabeb." Audiences who watch Christina perform acknowledge that they become carried away into her world of artistry, a place where they become, like her, blissfully haunted by the music and lyrics.
