

I COMMIT TO CHAMPIONING EUROPE'S ROLE AS A GLOBAL LEADER IN ***REALISING THE VISION*** OF THE AGENDA 2030 SUSTAINABLE DEVELOPMENT GOALS, AND ACHIEVING A WORLD WHERE ***NO ONE IS LEFT BEHIND*** – WHETHER AT HOME OR ABROAD.

To realise this vision, I pledge:

- To fight for the EU to ***fulfil its promises*** to the world's poorest people, in particular the commitment made with its Member States to investing 0.7% of GNI in international development assistance at the latest by 2030.
- To ensure that EU aid is focused on poverty eradication and the ***health, education and economic empowerment*** of the people who need it the most, especially ***women and girls***;
- To ensure the EU leads by example in respecting the dignity and ***equality of all people***;
- To secure an equal and ambitious new ***partnership with Africa***, so that together we win the fight against extreme poverty and secure a peaceful and prosperous future for both continents.
