OneDigital

Workshop 1.

Measuring impact on end learners

Purpose of this workshop

- To explore different ways of measuring impact on end learners
- To share tools and what's worked
- To be honest about some of the challenges

Measuring Impacts on End Learners

- **Irene Warner-Mackintosh – Mhor Collective/UWS**

- **Tracy Riddell - RNIB**

- **Sara Skare – Leonard Cheshire**

- **Agniezka Dennis – Leonard Cheshire**

Group discussion

- Why are you measuring impact on learners?

- How have you successfully collected information from learners?

- So what? What is the value of the evaluation work and how do you use it?

- On flipchart capture:
  - Methods/approaches
  - Tools
  - Scales
  - Question sets etc.
