Subtle Energy Pet Care: Animal Support Energies

There are Universal Source energies you can call for assistance and help with your animal. They will come in when you call them. If your pet is in trauma or in great need such as giving birth or dying these energies may be incredibly helpful. Universal Energies come from the mind and the heart of the Divine Source will support your pet.

Sacred Anatomy Energy Medicine for Animals

Exercise: Animal Support Energies

1. **Tune into the Universal Support energies:** especially designed for your pet. an other- worldly energy around them that is different from you and different from them- it is easy to do. Close your eyes and breathing deeply confidently call on the Universal Source energy or energies that jump out to you:
 - a. *Cool Cat (pale orange & brown)*
 - b. *Puppy Love (pale grey & blue)*
 - c. *The Heart of Saint Francis (rose pink & brown)*
 - d. *Balm of Gilead (multicolored green)*
 - e. *Pet Recovery (green and blue shimmers)*
2. **Be patient** as you bring in these energies. Feel them fill your pet up and bring quiet, calm and joy to your cat or dog.
3. **After you are finished.** Bring in the energy of *Integration (silver white with golden flecks)*.
